Primary PE and Sport Premium Strategy 2020-2021

(Financial Year)

Broadbent Fold

Primary School & Nursery

Vision

At Broadbent Fold we enable each child to unlock their talents and celebrate their individual successes. We are preparing our children for the opportunities and challenges they will encounter in our community and the wider world.

We aim to achieve this by:

- Fostering positive relationships striving for empathetic, tolerant and respectful children.
- Equipping our children with essential, practical skills to enable them to flourish, develop and succeed in the future.
- Teaching through our creative curriculum encouraging children to take ownership of their learning in order to develop enquiry, interest and confidence.
- Encouraging our children to develop independence, so they become global thinkers and aspire for excellence.
- Nurturing their physical and emotional wellbeing to develop well-rounded, happy, resilient children.
- Working collaboratively with our families to ensure all children reach their full potential. Broadbent Fold is an inclusive school, committed to providing diverse and rich experiences for all children.

Learning Today for Tomorrow's World

Background to the Primary PE and Sport Premium Funding

The PE and Sport Premium Funding is given to primary schools to fund additional and sustainable improvements to the provision of PE and School Sport and to encourage the development of healthy, active lifestyles for the benefit of all pupils.

Schools receive their funding each financial year (April – March) and this is spent accordingly each term.

Provision at Broadbent Fold Primary School and Nursery

At Broadbent Fold, the use of the PE and Sports Premium Funding will be used to fund additional and sustainable improvements to one of the following areas:

- Physical Education
- School Sport and Competition
- Healthy and Active Lifestyles

Current Barriers to PE and School Sport

These decisions will be tailored around the individual needs of our pupils. Our current barriers to successful provision and education faced by our pupils include:

- Sustained activity - keeping fit (about 10% of our classes have overweight children- evident in KS2)
- Emotional wellbeing- fair play/ turn taking/ following rules and accepting decisions
- The teaching of games rather than sporting skills to improve skills to play games better
- Pupil engagement- links to sustained activity

Impact Measures

The impact and success of the Primary PE and Sport Premium is regularly monitored by the Senior Leadership Team and the Governing Body in a variety of ways, including:

- Pupil attainment (using National Curriculum statements)
- Pupil participation in class and in extra-curricular activities (group / whole class contributions)
- Pre and post checklist of skills following an initiative. i.e. What could they do before? What can they do now?

- Pupil evaluations and discussions.
- Class Teacher / Support Staff observations.
- Tameside Active Games Mark award – Currently achieved Bronze.

Allocation of Funding 2020 - 2021:

The Primary PE and Sport Premium funding allocated to the school for the year, 2020-2021 is £17,810. We are planning to use this funding in line with guidance from the DfE and Ofsted, to make additional and sustainable improvements to the provision of PE and School Sport and to encourage the development of healthy, active lifestyles for the benefit of all pupils

Key Achievements to date:	Areas for further improvement and baseline evidence of need:
<p>We are continuing to work alongside Active Sports to provide our teachers with ongoing training for teaching Gymnastics, Dance and Games and are using their coaches to deliver a range of extra-curricular provision. We currently hold the Bronze award for sporting values through Active Tameside. Health messages are also being delivered and reinforced through PE lessons. We employ Midday Supervisors to work specifically with the children at lunchtimes to encourage engagement and enjoyment in various sports and activities. Pupils in EYFS have completed training on using balance bikes through Progression in Pedals. Extra-curricular dance has targeted a high percentage of pupils in Key Stage 2 and inspired them to compete and perform at a high level and competitive in the local community. We worked with our local boxing team to deliver after-school training. This has targeted pupils to help deal with emotional control. ITV News reported on this. Four pupils in Year 6 are continuing to develop their role of Sports Ambassadors and attend regular training and development days. They have developed their activities and deliver these to KS1 at lunchtimes. They feedback to staff and pupils on new initiatives. Key Stage 1 and 2 teams continue to compete at competition level, across a range of sports over the school year. Some of the competitive sports over the last 12 months include: cheerleading, football, cross-country running and curling. School have achieved their Silver Award with Tameside’s Food4life scheme.</p>	<p>Ensure Sports Ambassadors plan for and carry out a range of initiatives across the school and target pupils in EYFS as well as KS1 and 2. Pupil interviews to take place to address and evidence Health and Wellbeing across all curricular and extra-curricular sports and activities. Introduction of Freddy-Fit activities to pupils to develop Sports Science within the school. A great focus is needed at lunchtimes to ensure pupils are active. Offering a variety of clubs and coaches to target pupils vulnerable /overweight. To develop an action plan for future competitions and leagues. Coaches to be looked at to develop skills such as football, swimming, netball, dancing, gymnastics and yoga. Ensure there is a spread across the year (sports/key stages) and a mix of competitions and School Games. Focus on PE formative and summative assessments. What will this look like during PE lessons? What AfL strategies can be applied to PE lessons? How will this be evidenced/recorded? CPD for teachers from Sports Development as part of our Service Level Agreement. Review the Sports Development Offer that is being delivered to pupils. Address this based on staff feedback and gaps in CPD. Staff to work with HT and PE leader to address each area of PE / Sport and assess understanding, knowledge and skills. To be planned in over the year with support from Active Tameside.</p>
<p>Meeting national curriculum requirements for swimming and water safety</p>	
<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?</p>	<p>90%</p>

What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	90%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	90%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No.
