

# School Uniform and Dress Code Policy

## School Uniform

We believe that children who take care and pride in the way they look also take pride in their work. The school encourages all pupils to identify with the school dress code as this engenders a sense of belonging. We ask parental co-operation in ensuring that pupils are suitably dressed, and that high standards regarding school uniform continue.

## Role of Parents/Carers

We expect parents and carers to support the school uniform and dress code policy. Children should come to school in uniform every day unless there are special circumstances such as dressing -up or charity fund raising events. Please label all children's clothing. Unclaimed, unidentified uniform may be considered property of the school and be donated or sold.

## Role of the School

Non-compliance with the school uniform policy should be addressed immediately. At the first instance school will contact the parents/carers regarding non-compliance. Where there is continued failure to comply with the policy parents/carers will be invited in to school to meet with a member of the senior leadership team to resolve the problem.

## Hairstyles

School will not accept extreme hairstyles which include shaven heads, emblematic patterns in hair, gelled spikey Mohican styles, beading, over large accessories or any style that is not neat and presentable.

## Jewellery

Children may not wear jewellery to school (except for small studs and small slimline watches). Children must be able to remove their own earrings for Physical Education activities.

Please note make-up or nail varnish is not permitted.

Please see below for the school uniform list.

# Broadbent Fold Primary School and Nursery
