

Literacy

- We will write persuasive text to convince people to go on holiday to our favourite places.
- We will write our own puppet show scripts inspired by Punch and Judy.
- Seaside shopping is very exciting- we will be writing descriptions of a traditional British seaside shop (then spending our money there over in numeracy).
- We will be reading *The Lighthouse Keepers Lunch* by Ronda and David Armitage then writing our very own seaside stories.

Science

This half term, we will be exploring habitats.

ICT

We will continue with our coding skills and create seaside inspired art.

Numeracy

- We will use money to solve problems when going shopping on holiday. How will we budget our spending money?
- We will also look at graphs. We will survey people in our class to see their favourite picnic food then show this information using graphs.

The Seaside

Music

- We will be singing using actions, focusing on pulse, rhythm and pitch differentiation.
- We will learn songs about the seaside, the UK countries and the surrounding seas.

Geography/ History

We will be comparing the British seaside in the 1900's with modern British holidays.

We will learn about different places people visit abroad for their holidays.

We will learn the names of the seas and oceans surrounding the UK.

Art/DT

- We look at blending and mixing colours to create sea shell art.
- We will also make hand held windmills.

RE

How should we care for others, and the world, and why does it matter?

We will be looking at how we should care for everyone in the world and what this looks like in different religions.
