Remote Learning/ Live Lessons

Monday 1st Feb – Friday 5th Feb

This week, children will have the opportunity to join the live lessons at school from home. Here is a step by step guide for how to schedule your learning and get the most out of this experience.

1. Before you begin your remote education, you should make sure that you have had your breakfast and are dressed for the day.
2. Prepare yourself a tall glass of water and have a pen and paper, and any other appropriate equipment you might need, ready.
3. Click on the zoom links at the allocated times to join the lesson and your class teacher will admit you to the lesson.
4. During the day we recommend that you take part in at least 3 lessons from different subject areas each day. Here is an example of what a timetable for your day might look like:

Lesson 1	Wellbeing break	Lesson 2	Lunch time	Exercise break	Lesson 3
----------	--------------------	----------	---------------	-------------------	----------

5. We recommend that you break your learning up into small chunks, with lots of time away from your computer screen. Use the learning grids provided by your teacher to guide your choice of lessons. Please build in time to exercise. Try to move around as much as possible, stretching your shoulder and neck muscles often. There are lots of 'at-home' workouts that you can try or try the online workouts by Joe Wicks on Youtube.com.
6. Lastly, make sure you are looking after yourself. Make sure that you have relaxation time and fresh air and we look forward to seeing you in the classroom from home.

Monday 1st February	<p><u>Zoom Details for all lessons</u></p>
	<p><u>Lesson 1</u> Maths - Comparing length Login to Zoom for 9:30 to start the Maths lesson. We will be introducing our new topic of length and height. We will compare the length of different objects using the vocabulary shortest, tallest, shorter and taller. We will have a scavenger hunt at the end of the lesson to practise what we have learnt.</p> <p><u>Lesson 2</u> Phonics - ir Login to Zoom for 11:00 and we will use this session to practise our tricky words, recap the sound from last lesson and introduce the new sound 'ir'. We will then practise this in a buried treasure style game.</p>
Tuesday 2nd February	<p><u>Lesson 1</u> English - Story planning Login to Zoom for 9:30 to start the English lesson. We will be looking at planning the ending to the story 'How to Grow a Dinosaur'. Please have the story mountain sheet ready for the Zoom lesson.</p> <p><u>Lesson 2</u> Phonics - ue (oo) Login to Zoom for 11:00 and we will use this session to practise our tricky words, recap the sound from last lesson and introduce the new sound 'ue'. We will then practise this in a game of hangman.</p>

<p>Wednesday 3rd February</p>	<p><u>Lesson 1</u> Maths - Measuring length (non-standard units) Login to Zoom for 9:30 to start the Maths lesson. We will be learning how to measure the length of objects using items such as cubes instead of a ruler. Please have a teddy, a pencil, a book and some coins to measure with for this lesson.</p> <p><u>Lesson 2</u> Phonics - ue (you) Login to Zoom for 11:00 and we will use this session to practise our tricky words, recap the sound from last lesson and introduce the alternative sound for 'ue'. We will then practise this in a game of snap.</p>
<p>Thursday 4th February</p>	<p><u>Lesson 1</u> PSHE - Children's Mental Health Week Login to Zoom for 9:30 to start the PSHE lesson. The theme for this year's children's mental health week is expressing yourself. Please can children come to the Zoom lesson dressed to express themselves through their clothing/hairstyles. They could wear their favourite colour or a colour to show how they feel or a top with their favourite character on etc. We will have some circle time to discuss our ideas and will play a game of charades to show that we can sometimes tell how people feel by their actions.</p> <p><u>Lesson 2</u> Phonics - aw Login to Zoom for 11:00 and we will use this session to practise our tricky words, recap the sound from last lesson and introduce the new sound 'aw'. We will then practise this in a game of bingo so please make sure you have your bingo grid ready.</p>
<p>Friday 5th February (no screens day)</p>	<p><u>Lesson 1</u> It is important to take time to have fun and relax. So as part of Children's Mental Health Week I would like you to do something you enjoy, e.g. watch a film, play a game, read a book, play football etc.</p> <p><u>Lesson 2</u> Think of and do 2 things to make your friends or other people in your family smile, e.g. give someone a hug, draw them a picture, do some baking, help tidy up, write a letter etc.</p>

See below for a variety of activities for your child to complete this week.			
Literacy and Communication	<p>Write your own ending to the 'How to Grow a Dinosaur' story. Use your story plan from Tuesday's Zoom lesson to help you.</p> <p><u>Try to include:</u></p> <ul style="list-style-type: none"> -Capital letters -Full stops -Finger spaces -Adjectives -Time connectives -Conjunctions - and/but 	Practise the curly caterpillar letters using the handwriting sheet.	
Maths and Problem Solving	<p>Find a range of objects around your house. Can you put them in order from shortest to tallest?</p> <p>Complete the shortest and tallest worksheet.</p>	<p>Measure a metre and see how many of these objects (or similar) would make up a metre.</p> <ul style="list-style-type: none"> -teddy bears -pasta -lego -footsteps -cushions <p>What do you notice? Does the same number of each object make a metre? Why?</p>	<p>Can you measure the length of some different objects around your house? You could see how many coins (or similar) long they are.</p> <p>Complete the Measure Length (1) worksheet.</p>
Science and the outside environment	<p>Listen to the Animal Song Animal Song - YouTube to learn all about the different groups we can classify animals into (mammals, birds, reptiles, amphibians, insects and fish). Make a list or draw animals that would fit in each category.</p>		
Humanities and Citizenship	<p>Using Draw Your Feelings - Children's Mental Health Week 2021 - YouTube. Draw how you might feel in different parts of your body. You could complete this activity twice and see if how you are feeling has changed.</p> <p>If you have Disney+ or the DVD you could watch Inside Out and think about all the different emotions that can be seen.</p>

Creative Arts	Create a piece of artwork to express yourself. This could be anything - junk modelling, playdough, painting, collage etc. This could show how they are feeling or something that they enjoy.		
Physical Education	Go for a walk or run every day and see how many things you can cross off the Daily Mile bingo (see attached).		Complete one of the athletics, rugby or football bingo grids (see attached). If you complete this you will win a medal.
Reading	Practise your reading with one of the books on Oxford Owl or one from school.	Practise your phonics on Teach your Monster to Read.	Complete the reading comprehension 'Giraffes Can't Dance'.
Times tables	Practise your number bonds to 10 (and 20).
