Remote Learning/ Live Lessons

Monday 8th Feb – Friday 12th Feb

This week, children will have the opportunity to join the live lessons at school from home. Here is a step by step guide for how to schedule your learning and get the most out of this experience.

1. Before you begin your remote education, you should make sure that you have had your breakfast and are dressed for the day.
2. Prepare yourself a tall glass of water and have a pen and paper, and any other appropriate equipment you might need, ready.
3. Click on the zoom links at the allocated times to join the lesson and your class teacher will admit you to the lesson.
4. During the day we recommend that you take part in at least 3 lessons from different subject areas each day. Here is an example of what a timetable for your day might look like:

Lesson 1	Wellbeing break	Lesson 2	Lunch time	Exercise break	Lesson 3
----------	--------------------	----------	---------------	-------------------	----------

5. We recommend that you break your learning up into small chunks, with lots of time away from your computer screen. Use the learning grids provided by your teacher to guide your choice of lessons. Please build in time to exercise. Try to move around as much as possible, stretching your shoulder and neck muscles often. There are lots of 'at-home' workouts that you can try or try the online workouts by Joe Wicks on Youtube.com.
6. Lastly, make sure you are looking after yourself. Make sure that you have relaxation time and fresh air and we look forward to seeing you in the classroom from home.

Home Learning Year 1

Week Beginning 8th February 2021

Miss Mainprize

Monday 8th February	<u>Lesson 1</u> Maths - Measuring length Login to Zoom for 9:30 to start the Maths lesson. We will be introducing how to use a ruler to help us to measure length. <u>Lesson 2</u> Phonics - wh Login to Zoom for 11:00 and we will use this session to practise our tricky words, recap the sound from last lesson and introduce the new sound 'wh'. We will then practise this in a buried treasure style game.
Tuesday 9th February	<u>Lesson 1</u> Computing - E-Safety Week Login to Zoom for 9:30 to start the Computing lesson. We will be looking at how we can be safe using the internet and why it is so important. <u>Lesson 2</u> Phonics - ph Login to Zoom for 11:00 and we will use this session to practise our tricky words, recap the sound from last lesson and introduce the new sound 'ph'. We will then practise this in a game of hangman.
Wednesday 10th February	<u>Lesson 1</u> Maths - Adding and subtracting length Login to Zoom for 9:30 to start the Maths lesson. We will applying what we have learnt about length to solve addition and subtraction problems. <u>Lesson 2</u> Phonics - ew Login to Zoom for 11:00 and we will use this session to practise our tricky words, recap the sound from last lesson and introduce the alternative sound for 'ew'. We will then practise this in a game of snap.
Thursday 11th February	<u>Lesson 1</u> Valentines Party Login to Zoom for 9:30 for the Year 1 Valentines Party. This is to celebrate all your hard work this half term and of course, Valentines Day. Come dressed in your party clothes ready to dance and play lots of games. <u>Lesson 2</u> Phonics - oe Login to Zoom for 11:00 and we will use this session to practise our tricky words, recap the sound from last lesson and introduce the new sound 'oe'. We will then practise this in a game of bingo so please make sure you have your bingo grid ready.

Friday 12th February (no screens day)	<u>Lesson 1</u> Create a Valentines Day card to give to someone that you love. <u>Lesson 2</u> Chinese New Year: Watch The Story of Chinese New Year - YouTube to learn about why people celebrate Chinese New Year. Do some research to find out what animal is the year you were born. Create and decorate a Chinese lantern. How To Make A Chinese Paper Lantern Fun Kids Activities - YouTube You could even try some Chinese food!		
See below for a variety of activities for your child to complete this week.			
Literacy and Communication	As part of International Women in Science week, this week we will be focusing on Mary Anning. Have a look at the powerpoint to see what facts you can learn about her. Write a factfile to show everything you have learnt. You can use the template attached or create your own.	Practise the one-armed robot letters using the handwriting sheet.	
Maths and	Complete the	Using a ruler/tape measure,	Complete the length

Home Learning Year 1

Week Beginning 8th February 2021

Miss Mainprize

Problem Solving	Measure length 2 worksheet.	can you draw lines of the following length: <ul style="list-style-type: none"> - 5cm - 8cm - 2cm - 12cm - 1cm - 15cm - 4cm - 10cm Make sure you start at 0 and not at the end of the ruler.	and height assessment independently. (You can help your child to read the questions.)
Science and the outside environment	This week we are looking at carnivores, herbivores and omnivores. Have a look at the powerpoint slides to learn about the three different types of animals. Using the sorting sheet, sort the animals into the Venn diagram. You can write the words and/or draw the pictures. Can you think of anymore animals that would fit in these categories?		
Computing	As part of E-safety Week, I would like you to make a poster about being safe online. This is a competition against the other people in Year 1 and a winner will be chosen by Mrs Parker and given a certificate. The winning posters will be displayed in school.		
Creative Arts	Create your own salt dough dinosaur fossils How to Make Dinosaur Fossils Using Salt Dough - Little Passports You can use dinosaur toys to make the pattern or tools to make your own. Pretend to be a fossil hunter and see if you can get the chocolate chips out of a cookie (the fossil out of the rock) using tools such as spoons and brushes. You have to be careful so you don't damage the fossil.		
Physical Education	Participate in a dance lesson on www.unitedsportscoaching.co.uk Username: BBFOLD Password: USC.BROAD21	Continue to work on the athletics, rugby or football bingo grids. If you complete this you will win a medal.	
Reading	Practise your reading with one of the books on Oxford Owl or one from school.	Practise your phonics on Phonics Play. PhonicsPlay Username: Jan21 Password: home	Complete the reading comprehension 'After the Fall'.
