

Choose your favourite superhero and write a description about them. You could draw a picture of them too! Try to use adjectives (describing words) in your writing, e.g. They have a red cape.	 Create a trap to capture the Evil Pea from our Supertato story. How creative can you be?	Label a picture of a villain. Can you use adjectives in your labels, e.g. black hair? Try to use a ruler to make sure your lines are straight. 	Play an addition game. Roll the dice twice and write down the numbers that you have rolled. Add these 2 numbers together. To help you, you can use practical objects such as pasta or you could draw circles to represent your calculation. The next player  does the same thing. The person with the highest number gets a point. The first person to 5 points is the winner.	Practise your handwriting using our scheme Letterjoin. You can use the Letterjoin app if you wish. 
Over this half term these are activities that you can complete if you are absent from school or just want to do some cross curricular activities. Please post photographs of the activities onto Seesaw. You can also complete any of the activities in your homework book which will be collected in the last week of each half term.	Create a poster showing your number bonds to 10 and start to learn them. E.g. $10 + 0 = 10$ $9 + 1 = 10$	Choose 5 objects from around your house. What material are they made from? Describe the properties of the material, e.g. hard, soft, bendy etc.	Choose 2, 3 or 4 numbers between 0 and 10. Order these numbers from smallest to biggest. Repeat task 3 times with different numbers.	

Complete 8 = Gold award.

6 = Silver award.

4 = Bronze award.
