Year 1 Home Learning Challenge Grid Broadbent Fold Primary School and Nursery

Autumn 2 2026-2027

Would a dragon be a good friend?

Split your page into 4 and draw 4 pictures to show the weather in each season (Spring, Summer, Autumn and Winter). 	Use the conjunction **'and'** to write **4 sentences** about a picture that includes a Dragon *(there should be a sentence either side of the 'and' for it to be used correctly).* E.g. Shrek is and scary ogre and he is green. If you are struggling using 'and', just write 4 sentences e.g. The Dragon breathes scorching fire. 	Watch the weather forecast. Which different weather symbols can you spot? Can you spot where you live on the map? 	Write a letter to someone telling them about your weekend. 	Practise your subtraction skills using the attached sheets. You can do this practically by taking away the objects or using the crossing out method below. 
Over this half term these are activities that you can complete if you are absent from school or just want to do some cross-curricular activities. **Please post photographs of the activities onto Seesaw. You can also complete any of the activities in your homework book which will be collected in the last week of each half term.**		Go on a shape hunt.  What different 2D and 3D shapes can you find?	Draw a picture of a dragon (on a computer or tablet if possible). **Can you label it too?**	Practise reading and spelling these tricky words: Phase 3 = he, she, me, was, they, all, are, you. Phase 4 = said, have, like, little, when, what, there, out.

Complete 8 = Gold award. 6 = Silver award. 4 = Bronze award.
