

Would a dragon be a good friend?

Split your page into 4 and draw 4 pictures to show what happens in each season (Spring, Summer, Autumn and Winter).

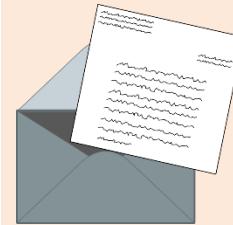

Use the conjunction 'and' to write 4 sentences about the picture (there should be a sentence either side of the 'and' for it to be used correctly). E.g. **Shrek is green and he is a scary ogre.** If you are struggling with this, just write 4 sentences about the picture.

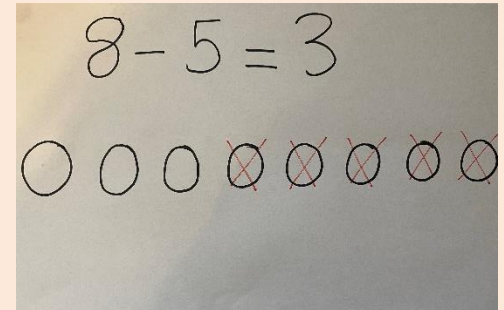

Watch the weather forecast. Which different weather symbols can you spot? Can you spot where you live on the map?

Write a letter to someone telling them about your weekend.

Practise your subtraction skills using the attached sheets. You can do this practically by taking away the objects or using the crossing out method below.

Over this half term these are activities that you can complete if you are self-isolating, home learning or just want to do something extra. Please post photographs of your work on Seesaw or send your work into school.
Gold award = All homework complete
Silver award = 6 pieces of homework complete
Bronze award = 4 pieces of homework complete

Go on a shape hunt. What different 2D and 3D shapes can you find?

Draw a picture of a dragon (on a computer or tablet if possible). You could even label this too!

Practise reading and spelling these tricky words:
Phase 3 = he, she, me, was, they, all, are, you
Phase 4 = said, have, like, little, when, what, there, out
