

Climates of the Americas

I can describe the climates and biomes of different regions across the Americas.

Use the Koppen guides, an atlas and information books and/or the Internet to help you fill in the table.

Place	Latitude	Type of Climate	Type of Biome
Sheffield South Yorkshire, UK (for comparison)	53°22'58"	Temperate (Cfb) 4 seasons. No major extremes in temperature. Rainfall all year round.	Deciduous forest
Las Vegas _____			
Havana _____			
Churchill _____			
Buenos Aires _____			
Barrow _____
