

Scratch – Lesson 2

Name:

Questions to answer

Explain what this code does.

```
when clicked
clear
pen down
repeat 4
  move 100 steps
  turn 90 degrees
```

What shape will the following create?

Number of repeats	Angle	Shape
360	1	
3	120	
8	45	

What is the difference between the repeat and the forever loop?
