

Creative Writing Task
The Flannan Isle Mystery

Instructions

Using the Creative Writing Pack information, your task is to write a story about The Flannan Isle Mystery. You can choose how you would like to write it from one of the three options below:

- 1) *You are one of the keepers from the Flannan Isle Lighthouse. Write the story of your work at the Flannan Isle Lighthouse, up until your disappearance. Your story should end on a cliffhanger!*
- 2) *You are one of the crew of the Hesperus on the way to Flannan Isle for the crew change at the lighthouse. Write the story of your approach to the lighthouse and the discovery that something is badly wrong!*
- 3) *Write the story of the disappearance of the keepers from the Flannan Isle Lighthouse. Use your imagination to describe and explain this mystery.*

Tips

- Options 1 and 2 are in the first person. Writing in the first person means writing from the author's point of view, so you will use I and my.
- Option 3 is the third person. The story is about other people. Not yourself or the reader. Use the character's name or pronouns such as 'he' or 'she'.
- Use the prompts that are in the Creative Writing Pack, together with the writing sheet which suits your choice. If you are unable to print these out, then it is absolutely fine to write or type it onto your own paper.
- Try to use interesting vocabulary. Can you use clambering, our “word of the week”.
- Make sure you punctuate your sentences properly.
- Break down your writing into paragraphs.

Please try to complete this task by next Wednesday, 20th January and upload it to Seesaw. We will share our creative writing at a future Zoom session.

Thank you.
