

## Creative homework - Year 3

### Summer 1

Our theme is based on the story of the Iron man and Robots. At home, we would like children to research and find out about an artist and then produce their own picture based on this artist.

Here is a recommended website to look at  
<https://ericjoyner.com/>

We would like children to bring/or share on Seesaw their work.

Creative homework:

- Research/find out who is Eric Joyner? What kind of artist is he? Can children draw and write about this artist,.
- Draw/colour/paint their own art work, based on Eric Joyner's work, of course children's own ideas can be used. They could even create this design using an ipad/tablet/ computer.
- Bring in the finished piece of work (or share it on seesaw) and in class talk to the class about what they have found out and about their own designs.

Start sharing this work with us after 21<sup>st</sup> April.
