

Tuesday 26th January English Lesson 2

Revise complex sentences

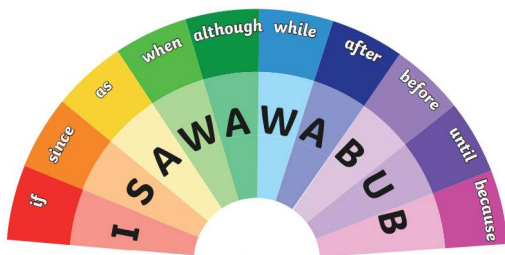

Highlight the subordinate clause in each sentence:

While the dragon was spewing fire, the frightened villagers searched for a safe hiding place.

The frightened villagers searched for a safe hiding place while the dragon was spewing fire.

Write a complex sentence- remember to add a main and subordinate clause:

As, I was walking it started raining.

It started raining, as I was walking.

As I was walking, it started raining.

Since he didn't study, he failed his exam.

He failed his exam, since he didn't study.

Since, he didn't study he failed his exam.

Tick which sentence is punctuated correctly.

Can you correct the others?
