Handprint Pig

Supplies

- A4 paper
- Pink paint
- Shallow tray / paper plate
- Paintbrush
- Black felt tip pen
- Scissors

1 First, spread some pink paint into the tray or plate.

4 Once dry, turn the print so that the fingers are at the bottom. Use the black pen to draw a face and ears onto your pig's head. You could use googly eyes to make your pig cute and fun! Colour the remaining four fingertip prints black for your pig's trotters.

2 Next, carefully press your hand into some paint, you may want to use the paintbrush to spread the paint all over your palm. Then gently press your hand onto the piece of paper. Your thumb and fingers need to be spread out!

5 To finish off your pig, draw a curly line onto your thumbprint for your pig's curly tail!

3 Now make the pig's head! To do this, make a fist with your hand, curling your thumb around the outside. Dip this part of your hand into the pink paint and press onto the paper next to your handprint, opposite your thumbprint.

6 Finally, cut around your finished handprint pig!
