

Home Learning Year 2

Week Beginning 20th July 2020

Mrs Neary/ Miss Laitl

Topic	<p style="text-align: center;">Seaside: Do you like to be beside the Seaside?</p> <div style="text-align: right;">  </div>
Literacy and Communication	<p>Watch The Lighthouse short movie clips https://vimeo.com/21910518</p> <p>Questions to ask:</p> <p>Pause the film after 40 seconds when we first see the lighthouse keeper at his desk. Why is this scene included in the film? Can we describe the setting in 3 sentences? When do you think the story is set?</p> <p>Pause the film after the candle blows out. Does the lighthouse keeper like his neighbours? How does the director build the tension in this scene? What words do you think the lighthouse keeper would use to describe the people of the village? What do you think the lighthouse keeper would be saying to himself when the lantern at the top of the lighthouse goes out?</p> <p>Pause the film after the lighthouse keeper sees the ship. How do you think he feels when he sees the ship? The lighthouse keeper begins to panic – how can we show through his actions or feelings this sense of panic?</p> <p>Pause the film when the lighthouse keeper gets to the bottom of the steps. Where do you think he is going? Do you think the villagers will help him? Predict what you think will happen in the rest of the film. Watch the film until the end. How does the lighthouse keeper feel at the end? Do you think he feels differently about his neighbours now? What do you think will happen next time there is a party in the village?</p> <p>Complete the lighthouse activities (see attached pdf).</p>
Maths and Problem Solving	<p>Lesson 1 Litres https://vimeo.com/434747843</p> <p>Lesson 2 Temperature https://vimeo.com/434748010</p>
Science and the outside environment	<p>Read Sun, sea and beach safety to learn how to stay safe in the sun. Complete the comprehension question and create a poster to teach others how to stay safe during hot summer days.</p> <p>Seesaw activity: Can animals get sunburn?</p>
Humanities and Citizenship	<p>Learn name and locations of some of the main British Islands. See the attached lesson presentation and worksheet.</p>
Creative Arts	<p>Make a 3D lighthouse model. You can use template provided or make your own.</p> <div style="text-align: center;">  </div>
Physical Education	<p>Go on a bike ride or a walk with your family.</p>

Home Learning Year 2
Week Beginning 20th July 2020
Mrs Neary/ Miss Laitl

Reading	Read all about lighthouses and complete comprehension questions. Log onto bug club and read the books allocated for you. Log onto Oxford Owl to access eBooks https://www.oxfordowl.co.uk/
Times tables	Practise your 2, 3, 5 and 10 times tables. If you know those times tables facts you can try to learn to count in 4s.
