Week Beginning 6th July 2020

Mrs Neary/ Miss Laitl

Topic	Seaside: Do you like to be beside the Seaside? 
Literacy and Communication 	Read The Storm Whale by Benji Davis again. Can you think of speech/ thought bubbles to accompany the illustration? (use the worksheet provided) Draw and describe a different animal/creature that Noi found in the storm (zoom lesson Tuesday). Write your own story by changing the animal/creature. Plan your story first (zoom lesson Wednesday). Use the worksheet provided to plan your story. I have also created an example to help you support your child with their writing.
Maths and Problem Solving	This week we will revisit our knowledge of fractions during our zoom session on Monday. There are also activities on Education City for you to complete (Fraction like an Egyptian, Pyramid Scheme, Captain Cod, Fractions Heroes). I have also attached fraction worksheets for you to complete. I would also like you to complete work on length. See the attached video links and worksheets: Lesson 1 Measure length (cm) https://vimeo.com/430299105 Lesson 2 Compare lengths https://vimeo.com/430299221 Lesson 3 Four operations with length https://vimeo.com/430299420 Lesson 4 Compare Mass https://vimeo.com/430109855
Science and the outside environment	Log onto Seesaw to complete the activities assign for our class. Activity 1 –Why is there sand on the beach? Activity 2 – Do fish sleep?
