

## Home Learning Grid - Reception

W/B 1<sup>st</sup> February 2021

Here is an outline of this week's home learning activities for Reception for any children self isolating. Please choose as many as you can (remember there are activities on Seesaw, Education City and attached to the blog too). Don't feel you have to do everything!

Please continue to read each night and practise your tricky words. I will be assessing the phase 2 and 3 tricky words and giving out certificates when we return.

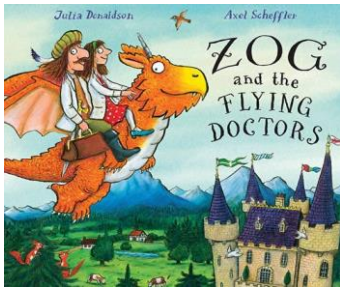

## Spellings to learn

The following words need to be learnt for the spelling test on Monday 8th February

now we all

## Zog and the Flying Doctors

(27) [Zog and the Flying Doctors by Julia Donaldson. Children's rhyming story. Audiobook Read-Aloud. - YouTube](#)

This week I would like you to read Zog and the Flying Doctors (link above if you do not have it, it is also on iplayer). Think of a creature with an illness eg a shark with tooth ache, a fairy with a broken wing. Can you make a magic potion to make them better? What would you put in your potion? I cannot wait to see what you all come up with! Don't forget to send it to me on Seesaw!

## Making 10

[Applying knowledge of numbers in 10 to solve mathematical problems \(thenationalacademy\)](#)

(27) [Numberblocks - Ten Again! Learn to Count - YouTube](#)

Watch the above lesson and investigate how many different ways you can find to make 10 eg 4+6 1+9

Once you have done that why not investigate ways to make 20.

## Fairy House

This week I would love you to build a house perfect for a fairy or elf. I have added a milk bottle design idea to the blog. You could use other materials eg cardboard box, lego. Send me in your pictures.

## Physical Activity Ideas
