

Home Learning Grid - Reception

W/B 11th January 2021

Here is an outline of this week's home learning activities for Reception for any children self isolating. Please choose as many as you can (remember there are activities on Seesaw, Education City and attached to the blog too). Don't feel you have to do everything!

Please continue to read a book each night and practise your tricky words. I will be assessing the phase 2 and 3 tricky words and giving out certificates when we return.

Spellings to learn

The following words need to be learnt for the spelling test on Monday 18th January

will see he
chick shop quit

In Winter I See...

This week I would like you to write a list or some simple sentences about what you see in winter eg I can see frost. Send pictures of your work to me on Seesaw.

3D Shapes

[\(1\) 3D Shapes I Know \(solid shapes song including sphere, cylinder, cube, cone, and pyramid\) - YouTube](#)

Can you hunt round your house and find as many 3D shapes as you can - cubes, cylinders, cones, pyramids and cuboids. Look closely at their properties - how many faces do they have? What shape are the faces? Send me some photos/videos on Seesaw of your findings.

Ice Investigation

Investigate what makes ice melt. Think of different ways to make ice melt. Which way do you think will melt ice the fastest? Why? Try it out if you get the chance.

Physical Activity Ideas

[BBC iPlayer - Andys Wild Workouts - Series 1: 10. Arctic](#)

[BBC iPlayer - Otis Boogie Bebies - Series 1: 2. Get Dancing](#)

[\(1\) The Body Coach TV - YouTube](#) - Monday, Wednesday and Friday
