

Home Learning Grid - Reception

W/B 5<sup>th</sup> January 2021

Here is an outline of this week's home learning activities for Reception for any children self isolating. Please choose as many as you can (remember there are activities on Seesaw, Education City and attached to the blog too). Don't feel you have to do everything!

Please continue to read your reading book each night and practise your tricky words.

I will be assessing the phase 2 and 3 tricky words and giving out certificates over the next few weeks.

Spellings to learn

The following words need to be learnt for the spelling test on Monday 11<sup>th</sup> January

the to no go  
I into

Christmas

I would love you to write me a diary of your Christmas news.

What are your favourite presents?

Draw me some pictures of them and label them.

Missing Numbers

I have attached a missing numbers activity to the blog. If you do not have access to a printer, just write it out for your child to complete. You can make it easier or harder if necessary.

Frost

On winter mornings the ground often looks white with frost. Ask a grown-up to help you investigate the frost and find out what it is and where it comes from.

Physical Activity Ideas
