

Home Learning Grid - Reception

W/B 8th February 2021

Here is an outline of this week's home learning activities for Reception for any children self isolating. Please choose as many as you can (remember there are activities on Seesaw, Education City and attached to the blog too). Don't feel you have to do everything!

Please continue to read each night and practise your tricky words. I will be assessing the phase 2 and 3 tricky words and giving out certificates when we return.

Spellings to learn

Please revise the spellings we have done so far this week starting from - the, to, no, go, I, into - to check you have remembered them. New ones will start again after half term.

Chinese New Year

[BBC iPlayer - Go Jettlers - Series 3: 25. Chinese New Year, Dragon Dance Drama](#)

Watch the above links. Can you write me some facts about Chinese New Year? What animal is this year named after? Can you find out what the animal was the year you were born? I was the Year of the Goat! I would also like to see you have a go at some Chinese crafts. You could make a dragon, a Chinese lantern, it is up to you! I cannot wait to see what you create!

Money

[Recognising the value of one penny and the values of other coins \(thenationalacademy\)](#)

[Exploring different combinations of coins for a given total of up to 10p \(thenationalacademy\)](#)

Watch the above lessons and complete the tasks. I have attached the resources needed to the blog. Please don't worry if you do not have a printer, they are very easy to just make yourself with a pen and paper. A selection of real coins would be helpful too.

Chinese New Year

Why not have your own little Chinese New Year celebration. I would love you to try some Chinese foods and let me know what you thought of them. You could try noodles, prawn toast, spring rolls, egg fried rice, fortune cookies - there are so many tasty things. You could even try listening to some Chinese music while you enjoy your food! Can you draw me a picture of your banquet and label what you tried.
