

Home Learning Grid – Reception W/B  
26<sup>th</sup> May 2020

Here is an outline of the home learning activities for the Reception class. Please choose at least two of these activities to complete each week, sign and date the grid and return to school with any form of recording your child has done (eg photo, picture, 'writing', children's quotes, or creations)

Please read a book each week from the Collins Home Learning website

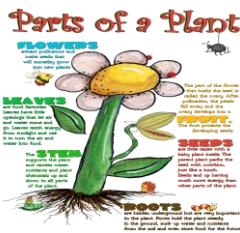

<https://collins.co.uk/pages/big-cat-ebooks> and practise your tricky words. I will be assessing all the tricky words when we get back and giving out certificates. I will attach more phases for those that already know them.

Spellings to learn

The following words need to be learnt for this week. Please test your child to see how well they do with them. You could record their scores in the red books sent home.

star stop stain  
hand wand pond

**Parts of a Plant**

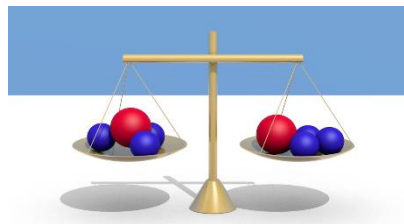

Watch the following videos about planting seeds. This week I would like you to label the different parts of a plant – flower, stem, leaf and roots and talk about what each part does.

**Maths**

This week I would like you to investigate weight. Can you order a set of objects from heaviest to lightest? Guess first then ask an adult help you to weigh them to check if you are correct. Have a look at the videos below.

**Where does your food come from?**

This week I would like you to investigate where your food comes from – plant or animal. Can you sort it into two different boxes. You could even add a box for both eg ham and mushroom pizza.
