

**Home Learning Grid – Reception W/B
13th July 2020**

Here is an outline of the home learning activities for the Reception class. Please choose at least two of these activities to complete each week, sign and date the grid and return to school with any form of recording your child has done (eg photo, picture, 'writing', children's quotes, or creations)

Please read a book each week from the Collins Home Learning website

<https://collins.co.uk/pages/big-cat-ebooks> and keep practising your tricky words.

I sent home three reading books for over the summer after assessing your child's reading level.

Spellings to learn

The following words need to be learnt for this week. Please test your child to see how well they do with them. You could record their scores in the red books sent home.

you see she
they this now

Holiday

This week I would like you to draw me a picture of somewhere you would love to go on holiday. It could be a real place or you could use your imagination eg Unicorn Falls. I would like you to write about what it was like there. What did you do? What did you see?

Maths

This week I would like you to investigate how many different ways you can make the number 12
eg $10+2$, $20-8$
Can you do the same for another number – you can choose the number.

Shadows

When you are playing outside, look at your shadow. Is it as big as you or smaller? Is it always the same size? Does it always follow you or does it sometimes move in front of you? Find out as much as you can about your shadow and then write about it or try some shadow drawings.
