

<p><u>Home Learning Grid – Reception W/B</u> <u>13<sup>th</sup> April 2020</u></p> <p>Here is an outline of the home learning activities for the Reception class. Please choose at least two of these activities to complete each week, sign and date the grid and return to school with any form of recording your child has done (eg photo, picture, 'writing', children's quotes, or creations)</p>	<p>Please continue to read your reading book each night and practise your tricky words. I will be assessing the phase 2 and 3 tricky words when we get back and giving out certificates. I will attach more phases for those that already know them. I hope you have all had a look at the online books on the Collins Home Learning website.</p> 	<p><u>Spellings to learn</u></p> <p>The following words need to be learnt for this week. Please test your child to see how well they do with them. You could record their scores in the red books sent home.</p> <p>Please test your child on a mix up of all the previous words to see if they have retained them.</p>
<p style="text-align: center;"><b>Baking</b></p>  <p>You could bake some Easter cakes. Why not use the chocolate from one of your Easter eggs to make Easter crispy cakes! Send me in some pictures to add to our blog.</p>	<p style="text-align: center;"><b>Maths</b></p>  <p>Try and halve as many things as you can this week. Could be an Easter egg, a chocolate bar, a lego tower, a piece of fruit etc. Make sure they are in two equal parts. Here is a halving story to watch. <a href="https://www.youtube.com/watch?v=hVaxiJB6Fls">https://www.youtube.com/watch?v=hVaxiJB6Fls</a></p>	<p style="text-align: center;"><b>Easter</b></p>  <p>Write me some sentences about your favourite Easter Egg. What does it have in? Did you find it on an Easter hunt? Did you get any other treats?</p>
