

Home Learning Grid – Reception W/B
11th May 2020

Here is an outline of the home learning activities for the Reception class. Please choose at least two of these activities to complete each week, sign and date the grid and return to school with any form of recording your child has done (eg photo, picture, 'writing', children's quotes, or creations)

Please continue to read your reading book each night and practise your tricky words. I will be assessing the phase 2 and 3 tricky words when we get back and giving out certificates. I will attach more phases for those that already know them. I hope you have all had a look at the online books on the Collins Home Learning website.

Spellings to learn

The following words need to be learnt for this week. Please test your child to see how well they do with them. You could record their scores in the red books sent home.

out have so
some were one

Caterpillar Diary

shutterstock · 292849454

Please write week 4 of your caterpillar diary. What changes have you noticed? What has happened to our caterpillars? What do they look like now? What colours can you see? Please write it in sentences with a picture to go with it.

Maths

Find lots of different sized containers at home eg a mug, a bowl, a jug etc. Estimate which container holds the most water. How many cups full does it take to fill each container. Estimate then check and record your results.

3D Minibeast

I would love you all to create your favourite minibeast as a 3D model. Don't forget to send me in the pictures of your minibeasts. I can't wait to see them!
