

Week beginning 11<sup>th</sup> May 2020

Home Learning Grid- Nursery 2020. This is in case of self-isolation at home or school closure. Your login for Education City is in the front of your Home-School Book I have added some activities for you to complete.

Please continue to share a book daily with your child.

This week we are thinking about positional language. Using a teddy place it in a variety of different positions using the language-on top, underneath, behind, in front, next to, to the right/left and beside. You could play hide and seek with your teddy. Have fun!

### Week 3

I would like you to draw week 3 of your caterpillar diary and add some captions if you can! They have changed from being wriggly caterpillars into chrysalides. Mrs Kleban has put them in a special net. Fingers crossed we might have butterflies soon!

### Physical Development

Play a game of Simon says, include actions such as- jump up and down, skip around the room, wriggle your body, walk on your tiptoes, do a silly dance, do a push up, hop etc. Enjoy!

Share the story Ten Magic Butterflies. How many butterflies and flowers are in the story? Can you draw a picture with 10 butterflies and 10 flowers?

### Phonics

I would like you to continue learning the sounds from the phase 2 mat and the phase 2 tricky words. I have also added some phase 2 home learning activities and a phonics song.

<https://www.youtube.com/watch?v=1Qpn2839Kro>

Keep practising your name/ numbers focus on pencil grip and formation.
