

Week beginning 25th May 2020

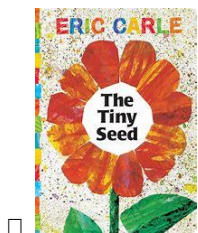

Home Learning Grid- Nursery 2020. This is in case of self-isolation at home or school closure. Your login for Education City is in the front of your Home-School Book I have added some activities for you to complete.

Please continue to share a book daily with your child.

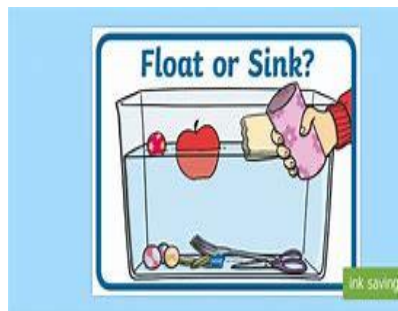

Listen to the story of 'The Tiny Seed' by Eric Carle. Can you create your own beautiful flower, just like the flower that grew at the end of the story?

<https://www.youtube.com/watch?v=ls6wTeT2cKA>

One of the seeds in the story landed in the water and did not grow. When you put a seed into water, will it float or sink? What other objects could you test? Put them into water and test to see if they float or sink.

Physical Development
Can you practise throwing, catching, kicking, rolling and bouncing a ball? Don't forget to do a cosmic kids yoga too!

https://www.youtube.com/watch?v=TY8xx7c6_z0

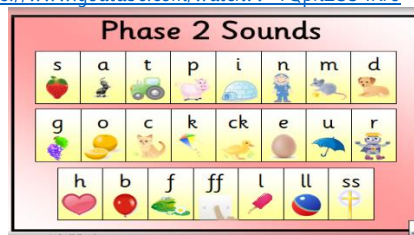

Can you roll a dice, say the number and then draw a flower with that many petals? Alternatively, you could draw the number of flowers in a flowerpot.

Phonics

I would like you to continue learning the sounds from the phase 2 mat and the phase 2 tricky words. I have added a new oral blending and segmenting home learning challenge this week. Have fun!

<https://www.youtube.com/watch?v=1Qpn2839Kro>

Please keep practising your name /numbers focusing on pencil grip and formation.
