

Home Learning Year 4  
Week Beginning 18<sup>th</sup> May 2020  
Mrs Blomeley

Here are the suggested activities for this week. Have a look through and try to do as many as you can to keep your learning up to date! Don't forget to email some of your work to me via [admin@broadbentfold.tameside.sch.uk](mailto:admin@broadbentfold.tameside.sch.uk) Have fun!

**Literacy and Communication**

<https://www.literacyshed.com/takingflight.html>

See the attached Writing Task sheet and choose whether you would like to write an adventure story or a diary entry. Make sure you include the Permanent WILF in all of your writing.

Watch the short film **Taking Flight**.

**Spelling**

Log onto kids classroom secrets.

<https://kids.classroomsecrets.co.uk/category/year-4/spelling/>

Play these Spelling games To improve your spelling!

Year 3 and Year 4 Spelling Game 1

1 Highlight the words in the text below that are spelled incorrectly.

The Wilsons are supposed to be visiting the famous art museum in Italy, but they appear to be lost on the underground. The security guard tried to help them by giving them a different route to the gallery but they still found it difficult.

Check

Practise your spellings in this Year 3 and Year 4 Spelling Game 1. Can you master them all?

PLAY

Year 3 and Year 4 Spelling Game 2

1 Highlight the words in the text below that are spelled incorrectly.

There was an accident on the motorway so it was difficult to get home. When we eventually arrived home I had to take my medicine, before going to bed.

Check

Practise your spellings in this Year 3 and Year 4 Spelling Game 2. Can you get them all correct?

PLAY

**Maths and Problem Solving**

Use the **White Rose Maths** link below to watch the tutorials for this week on:

- Recognise tenths and hundredths
- Equivalent fractions ( 1 and 2)
- Fractions greater than 1
- <https://whiterosemaths.com/homelearning/year-4/>

Summer Term - Week 5 (w/c 18th May)

Lesson 1 - Recognise tenths and hundredths

Recognise tenths and hundredths

1 square out of 100 is shaded blue.

The blue square represents  $\frac{1}{100}$ .

27 squares out of 100 are shaded blue.

The blue squares represent  $\frac{27}{100}$ .

## Week Beginning 18<sup>th</sup> May 2020

### Mrs Blomeley

<p><b><u>Science and the outside environment</u></b></p>	<p><a href="https://www.chesterzoo.org/virtual-zoo-2/">https://www.chesterzoo.org/virtual-zoo-2/</a></p> <p>I know some of you have watched the live Virtual Zoo days at Chester Zoo. This week we are going to focus on MAMMALS and REPTILES. Use the link above to watch some of the Virtual Zoo days to find some interesting mammals and choose your favourite one to write about To find information about reptiles, you could have a look at Day 3 to see the Kimodo Dragon and Day 5 to see the Python. Can you write a Fact File about one of them? Or your could write about a different reptile if you can find some interesting facts about them. Don't forget to include a picture.</p>	 <p style="text-align: center;">C</p> 
<p><b>Humanities and Citizenship</b></p>	<p><a href="https://www.bbc.co.uk/bitesize/topics/zg87xnb">https://www.bbc.co.uk/bitesize/topics/zg87xnb</a></p> <p>Following on from last week's tasks, continue our learning on <b>Ancient Egypt</b> with <b>BBC bitesize</b>.</p> <p>Watch the following clips:</p> <ul style="list-style-type: none"> <li>• Building the Pyramids (5 parts)</li> <li>• Building the Pyramids Accurately *2 Parts)</li> </ul>	
<p><b>Creative Arts</b></p>	<p>Make your own Egyptian Mummy and Sarcophagus. Print the attached instructions and template to make these.</p>	
<p><b>Physical Education</b></p>		<p>Have a look at the attached "Joy of Moving" document. Joy of Moving is an unbranded CSR programme designed to inspire active lifestyles in children. Its aim is to teach children how to enjoy moving through play, and to help them develop positive habits for adulthood.</p>

<p>Reading</p>	<p>Year 4 Reading Comprehension Fiction The Discovery</p> <div data-bbox="459 495 1002 775"><p>The Discovery</p><p>As it had done ever since their arrival three days ago, the sun blazed down relentlessly, making the midday heat almost unbearable. Ben and Rachel were struggling with the Egyptian heat and were trying to think of something to do that would not make them even hotter. On the orders of his boss at the Daily Herald, the children's father had been sent to the Valley of the Kings to cover the exciting discovery of Tutankhamen's tomb. He thought it would be an educational trip for the children and brought them along. However, the children were bored as their father had to attend so many meetings. Playing outside in this dry, dusty heat was just not an option.</p><p>"Did you see Dad's photographs of Tutankhamen's treasure?" Rachel asked her brother. "There were wonderful jewels and an amazing death mask!"</p><p>"I wonder if we will get a chance to see them in real life - I certainly hope so!" Ben responded.</p><p>"What shall we do now?" Rachel wondered. "It's too hot to go out far!"</p><p>Ben answered her excitedly, "I saw some little tunnels down near where Howard Carter found Tutankhamen's tomb. Shall we go and explore?"</p></div>	<p><a href="https://kids.classroomsecrets.co.uk/resource/year-4-reading-comprehension-fiction-the-discovery/">https://kids.classroomsecrets.co.uk/resource/year-4-reading-comprehension-fiction-the-discovery/</a></p> <p>Go on an adventure with Rachel and Bent to ancient Egypt in this Reading Comprehension Fiction "The Discovery". Test out your knowledge of synonyms, ability to retrieve information, and your understanding of the story as a whole.</p>
<p>Times tables</p>	<p>Well done to all those Rock Stars who have been taking part in the battles. There have been some fantastic scores! Keep it up!</p> <p><a href="https://trockstars.com/">https://trockstars.com/</a></p>
