

# Home Learning Year 4

## Week Beginning 22<sup>nd</sup> June 2020

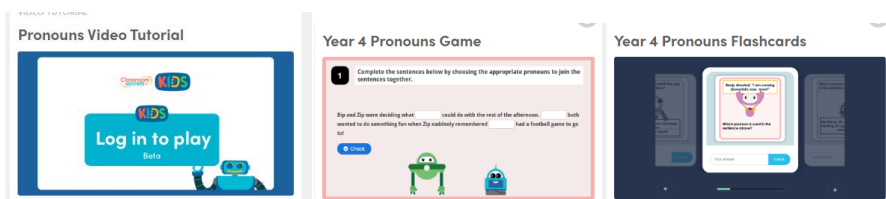

### Mrs Blomeley

Here are some fun and interesting activities to do this week including a new Science focus on Electricity, National Sports Week takes place and our new topic about Rivers and Mountains begins. Have a look through and try to do as many as you can to keep your learning up to date! We will discuss some of these in our Zoom meetings during the week. Don't forget to also log in to the new **Seesaw** online journal, where you can upload your work and try the extra activities that I will be setting.

#### Grammar

Log onto kids classroom secrets

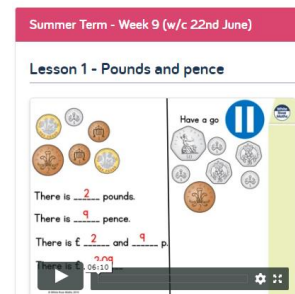

<https://kids.classroomsecrets.co.uk/category/year-4/year-4-gps/>

Watch Laura on this Pronouns Video Tutorial. How do pronouns improve your writing? When you have watched this, play the Pronouns Game and test yourself with the Pronoun Flashcards.

#### Maths and Problem Solving

Use the **White Rose Maths** link below to **watch the video tutorials** for Week 9 (22nd June) on:

- Pounds and pence
- Ordering money
- Estimating money
- Solve problems with money

<https://whiterosemaths.com/homelearning/year-4/>

**Remember that the worksheets and answers can be found on this blog, rather than on the White Rose site.**

#### Science and the outside environment

#### Electricity

Our new topic in Science is Electricity!  
Please log in to BBC Bitesize and click this link to watch various class clips to understand about Electricity and Conductors.

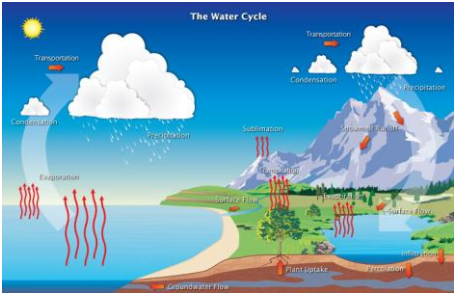

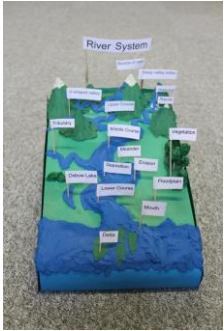

<https://www.bbc.co.uk/bitesize/topics/zj44jxs>

Print out the Resource sheets to identify the images and sort them. Electrical or not? How are they powered? Mains or battery.

<p><b>Humanities Geography</b></p>	 <p>Our new topic is <b>Rivers and Mountains</b> <a href="https://www.bbc.co.uk/teach/class-clips-video/geography-ks1--ks2-rivers/z6qsf4j">https://www.bbc.co.uk/teach/class-clips-video/geography-ks1--ks2-rivers/z6qsf4j</a> Watch the above clip, which gives a brief outline of what a river is and its journey – from source to sea!</p>  <p>An important factor in this topic is to know about the Water Cycle. Watch this clip. <a href="https://www.bbc.co.uk/teach/class-clips-video/geography-ks1--ks2-the-water-cycle/zbcmxyc">https://www.bbc.co.uk/teach/class-clips-video/geography-ks1--ks2-the-water-cycle/zbcmxyc</a> It is important to know the technical vocabulary about Rivers. Find the attached sheet on the blog and complete the definitions of the words. You will hear some of these words in the clips.</p>
<p><b>Creative Arts</b></p>	 <p>Your task is to make a 3D Model of the Journey of a River! Attached is an example but you can use your own ideas to show the journey. Labels are necessary, to show the different river vocabulary that you have learnt but you can make it however you want! Try to use materials you already have in your house. You could make the labels using cocktail sticks. Please send me photographs of your rivers!</p>
<p><b>Physical Education</b></p>	<p>It is National Sports Week this week! Miss Mainprize has created a virtual Sports Day pentathlon and some other sports related activities pupils can do during the week. See the sheets attached to this blog.</p>  <p>One of the activities is a balancing competition where you have to send in photos of you balancing in imaginative places or showing an imaginative balance. Please send me your photographs via the office or upload them on to Seesaw! Good Luck!</p>

<p><b>Times tables</b></p>	<p>Don't forget to log in to Times Table Rockstars on <b>Wednesday 24<sup>th</sup> June</b>. When you do log in you will be directed to Soundcheck to do your TTRS Multiplication Check! No need to worry – just try your best! I know that most of you have been practising on TTRS and taking part in the battles. Good Luck everyone! <a href="https://trockstars.com/">https://trockstars.com/</a></p>
