

# Home Learning Year 4

## Week Beginning 11th January 2021

### Mrs Blomeley

#### Remote Learning/ Live Zoom Lessons 18<sup>th</sup> – 22<sup>nd</sup> January 2021

Thank you for your continued support with Home Learning. I am so impressed with the children's resilience and sensible attitude towards this new way of learning in these challenging times. Their attendance and engagement in our Zoom sessions has been outstanding. The work they have produced and uploaded to Seesaw has been awesome! Thank you Year 4!

Two Zoom lessons will continue to take place each morning, with a duration of half an hour. Going forward, we will be introducing a "no screen time" day each week. On this day the children could read, write, solve maths problems, cook, create some art, or just talk; the list is endless! Encourage your child or children to find new things to learn, without using any of their devices! This week, Year 4's no-screen day will be Thursday. There are plenty of activities below that could be done on this day and we will discuss this during one of our Zoom sessions at the beginning of the week.

Here is a step by step guide for children of how to prepare to make the most of their learning during our Zoom sessions. Please share this with them.

1. Before you begin your remote education, you should make sure that you have had your breakfast and are dressed for the day.
2. Prepare yourself a tall glass of water and have a pen and paper ready, together with any other equipment or resources you might need.
3. Click on the Zoom links at the allocated times to join and I will admit you to the lesson.
4. We recommend that you take part in both of the online lessons and try to complete at least three subject areas each day. Here is an example of what your timetable might look like for the day:

<b>Lesson 1</b>	<b>Wellbeing break</b>	<b>Lesson 2</b>	<b>Lunch time</b>	<b>Exercise break</b>	<b>Lesson 3</b>
-----------------	------------------------	-----------------	-------------------	-----------------------	-----------------

5. We recommend that you break your learning up into small chunks, with lots of time away from your computer screen. Please build in time to exercise. Try to move around as much as possible, stretching your shoulder and neck muscles often. There are a lot of 'at-home' workouts that you can do, such as the online workouts by Joe Wicks on Youtube.com.

6. Lastly, make sure you are looking after yourself. You need to have relaxation time and fresh air. This is very important.

#### Zoom Timetable

#### Joining instructions

Secure links for Zoom sessions will be sent to you separately via SchoolPing.

*Please note the following times are subject to change. You will be notified in good time if this is the case.*

Date	Time and duration	Subject	Worksheet (to be completed after the session)
Monday 18 <sup>th</sup> January	1. 9:30 to 10:00am 2. 10:45 to 11:15am	Maths English (Reading)	Recap worksheet (WRM) Reading Gem worksheet
Tuesday 19 <sup>th</sup> January	1. 9:30 to 10:00am 2. 10:45 to 11:15am	Maths Science	Division worksheet (WRM) Water Cycle activity sheet
Wednesday 20 <sup>th</sup> January	1. 9:30 to 10:00am 2. 10:45 to 11:15am	Maths English (Grammar)	Division worksheet (WRM) Grammar text book
Thursday 21 <sup>st</sup> January	No Zoom sessions – “No screen time” day		
Friday 22 <sup>nd</sup> January	1. 9:30 to 10:00am 2. 10:45 to 11:15am	English/Maths Topic	Spelling test/Maths test Share Home Learning work

On the grid below you will find other activities that you can access this week. These could be completed during the suggested time for independent learning (in Lesson 3 above) or during our “no screen time” day. Please note, you are not expected to do everything. Find something that you will enjoy! Make sure that you do a physical activity at some point, as well as having some relaxation time.

Finally, don't forget to continue posting all of your brilliant work on Seesaw. Like last week, our Friday session will be an opportunity to share some of your Home Learning with the class.

Thank you  
Mrs Blomeley

<p><b><u>LITERACY and COMMUNICATION</u></b></p>	<p>Watch this short clip called <b>TREASURE</b> By Chelsea Bartlett</p> <p><a href="https://www.literacyshed.com/treasure.html">https://www.literacyshed.com/treasure.html</a></p>  <p>Esther, a homeless woman, is searching through a junkyard. She passes by objects of possible use and worth in favour of things broken or old, until she finds just the right treasure.</p> <p>Write a short story about Esther, the lady in the film. Think about these Key Questions. You will need to use your imagination to answer some of them.</p> <p><b>Who</b> is the old lady in the Junk Yard? <b>Where</b> has she come from? <b>Why</b> is she collecting things? <b>How</b> does she decide what to keep? <b>How</b> is she feeling throughout the film? Beginning/end? <b>Why</b> does she create a face out of the junk? Is this lady greedy? Is she happy? How can we tell?</p>
<p><b><u>Outdoor Learning</u></b></p>	<p><b>An A-Z Amble</b>, on a journey outdoors (or round your house) can you list a noun for each letter of the alphabet? Perhaps you could add adjectives to your nouns and use your word bank as the basis of a local walk-themed poem.</p> <p><a href="https://www.ltl.org.uk/resources/outdoor-literacy-a-z-of-place/">https://www.ltl.org.uk/resources/outdoor-literacy-a-z-of-place/</a></p> 
<p><b><u>Maths and Problem Solving</u></b></p>	<p>Use the <b>White Rose Maths</b> link below to <b>watch the tutorials</b> for this week on:</p> <ul style="list-style-type: none"><li>• Recap Division 2 digits by 1 digit</li><li>• Division 2 digit by 1 digit</li><li>• Division 3 digits by 1</li></ul> <p><a href="https://whiterosemaths.com/homelearning/year-4/spring-week-3-number-multiplication-and-division/">https://whiterosemaths.com/homelearning/year-4/spring-week-3-number-multiplication-and-division/</a></p> <p>Worksheets and answers for these units can be found on this week's Class blog. You can also find additional worksheets (Factor Pairs) as an idea for our "No screen time" day.</p>

**Creative Homework  
Task**

Remember that your Creative Homework task needs to be completed by the end of this week. Remember to research either the Loch Ness Monster or the Yeti and find as much evidence as you can to decide if you think the creature is real or not.

You could use our "No- screen time" day to actually make your creature!
