Remote Learning / Live Zoom Lessons

1st – 5th March 2021

As you know, we will be returning to school next week, so this will be our last Home Learning Grid! This week is World Book Day; we will be engaging in some fun activities on Zoom and there are a lot of extra tasks on this Grid. The “Masked Reader Reveal sheet” that is mentioned will be sent to you separately before World Book Day. Children can dress up for our Thursday Zoom sessions if they wish, but please do not go to any expense.

We will continue with two Zoom lessons each morning, with the exception of Wednesday, when there will be just one session at 9:30 am.

As a polite reminder, here is a step by step guide for children of how to prepare to make the most of their learning during our Zoom sessions. Please share this with them.

1. Before you begin your remote education, you should make sure that you have had your breakfast and are dressed for the day.
2. Prepare yourself a tall glass of water and have a pen and paper ready, together with any other equipment or resources you might need.
3. Click on the Zoom links at the allocated times to join and I will admit you to the lesson.
4. We recommend that you take part in both of the online lessons and try to complete at least three subject areas each day. Here is an example of what your timetable might look like for the day:

Lesson 1	Wellbeing break	Lesson 2	Lunch time	Exercise break	Lesson 3
-----------------	------------------------	-----------------	-------------------	-----------------------	-----------------

5. We recommend that you break your learning up into small chunks, with lots of time away from your computer screen. Please build in time to exercise. Try to move around as much as possible, stretching your shoulder and neck muscles often. There are a lot of ‘at-home’ workouts that you can do, such as the online workouts by Joe Wicks on Youtube.com.

6. Lastly, make sure you are looking after yourself. You need to have relaxation time and fresh air. This is very important.

Home Learning Year 4

Week Beginning 1st March 2021

Mrs Blomeley

Zoom Timetable

Joining instructions: Secure links for Zoom sessions will be sent to you separately via SchoolPing.

Date	Time and duration	Subject	Worksheet (to be completed after the session independently)
Monday 1 st March	1. 9:30 to 10:00am	Maths	Recap Fraction tasks from last week
	2. 10:45 to 11:15am	Reading	Visit World Book Day site - Authors note taking sheet is available if you want to use this.
Tuesday 2 nd March	1. 9:30 to 10:00am	Maths	Fractions of a set of objects
	2. 10:45 to 11:15am	Topic – Tudors Rich and Poor – discuss Creative Homework Task	
Wednesday 3 rd March	1. 9:30 to 10:00am	Maths	Calculate fractions of a quantity
Thursday 4 th March	1. 9:30 to 10:00am	Maths	Dress up for World Book Day! (optional) World Book Day Maths Quiz - Breakout Room Teams
	2. 10:45 to 11:15am	World Book Day The Masked Reader!	Masked Reader Reveal Sheet
Friday 5 th March	1. 9:30 to 10:10am	Spelling Test The Masked Reader Big Reveal!	Masked Reader Reveal Sheet
	2. 10:45 to 11:15am	Share work/ Good to be Green Time	Breakout Rooms

On the grid below you will find other activities for this week. These could be completed during the suggested time for independent learning (in Lesson 3 above.) Please note, you are not expected to do everything but ideally you should be trying to complete the English and Maths tasks that have been set, to maintain and improve your skills in these areas. You also need to download this week's spellings in preparation for our Spelling Test on Friday. Attached to the Blog is this half term's Creative Homework Task. You could begin work on this during this last week of home learning!

World Book Day is this week and we will be encouraging many reading activities. I am looking forward to seeing you all on Zoom and receiving more of your amazing work on Seesaw.

Thank you

Mrs Blomeley

ENGLISH

Writing, Grammar, Punctuation and Spelling

We've almost reached the ending of The Robin narrative from the **Oak Academy** and the lessons this week will help to plan and then write the ending. I have received many fantastic examples of writing during this unit of work on The Robin – it has included some excellent tips on using grammar, spelling and punctuation as well as extending the children's vocabulary.

Lesson 19: To plan the ending.

<https://classroom.thenational.academy/lessons/to-plan-the-ending-6wvkct>

There is a plan available to print on the Class Blog for this lesson.

Lesson 20: To write the ending.

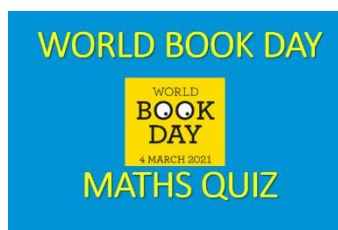

<https://classroom.thenational.academy/lessons/to-write-the-ending-60w62c>

MATHS and Problem Solving

Use the **White Rose Maths** link below to **watch the tutorials** for this week. We will be continuing our work on Fractions. Worksheets and answers are attached to the Class Blog. There will be a mini assessment of the fractions unit when we return to school on 8th March.

<https://whiterosemaths.com/homelearning/year-4/spring-week-8-number-fractions/>

8 01/03/2021	Monday	Fractions of a set of objects (1)	R
	Tuesday	Fractions of a set of objects (2)	R
	Wednesday	Calculate fractions of a quantity	
	Thursday	Problem solving - calculate quantities	

On the blog you will find a World Book Day Maths Quiz! It includes addition, subtraction, multiplication, division AND fraction questions!

Have a look at the questions and we will try to have a team quiz using breakout rooms on **World Book Day!**

 <p><u>Reading</u></p>	<p>We will be visiting the World Book Day website to listen to a variety of authors and illustrators whose books are included in the £1 voucher scheme. Attached to the blog are pages relating to these authors which you can use before or after we have visited the site. There is a note taking sheet which you might want to use during the Zoom session on Monday.</p>	
<p>World Book Day Creative COMPETITION!</p> <p>Special prizes to be won!</p>	<p>You still have time to make your favourite “tube” book character!</p> <p>Take a photograph of your entry and either send it to me via Seesaw or to admin@broadbentfold.ta meside.sch.uk.</p>	 <p>Entries need to be received by Friday 5th March Winners will receive a special prize – to be announced on 8th March!</p>
	<p>Look out for Broadbent Fold’s The Masked Reader! To celebrate World Book Day this Thursday, teachers will be reading stories to you all on Zoom – you just have to guess who they are! Will you be able to recognise their voices? Will you be able to solve the clues they reveal? Don’t miss Thursday’s Zoom session!</p>	
<p><u>Creative Homework Task</u></p>	<p>This half term’s Homework task is to build your own Tudor House! See the Creative Homework sheet that is attached to the blog. Can you invent a family who might live in your house?</p>	

Home Learning Year 4

Week Beginning 1st March 2021

Mrs Blomeley

<p><u>History</u></p> 	<p>https://www.tudorworld.com/virtualtour</p> <p>Take a virtual tour of the famous Tudor World in Stratford Upon Avon. Look out for examples of the Tudor Rose and the Tudor family tree.</p>
<p><u>R.E.</u></p> 	<p>Question: How might religion help people to cope when they are in the middle of Lockdown? Do you have any family or friends who have been helped by their faith? In what ways has their religion helped them? Places of worship have been closed. How have people coped with this, if they usually to go to Church, a Mosque, a Synagogue or a different place of Worship? What do you think they have done? Could you give them any advice? Your task is to write a short explanation to answer the question.</p>
<p><u>Science</u></p>	 <p>Find the sheets on the Blog and match the animals to the pictures of the animal skulls.</p> <p>As a challenge, can you identify which animals are Herbivores, Carnivores and Omnivores? How would you be able to tell?</p>
<p><u>Physical Education</u></p>	<p>Have a go at Tameside School Sports Partnership's Bingo Grids. This time the sports are gymnastics, netball, tennis, dodgeball and HIIT fitness. For each bingo grid you complete, you earn a medal! If you complete six you get a School Games badge! The sheets are attached to the Home Learning grid. How many medals can you get?</p> 
<p><u>Times tables</u></p>	 <p>Keep practising your times tables and join in with any battles this week. These will help you when we have our Daily 10 Mental Maths challenges in our Zoom sessions this week. You never know which times table we will choose!</p> <p>https://trockstars.com/</p>
