

Remote Learning / Live Zoom Lessons 8th - 12th February 2021

Just one week to go before we can have a much deserved break from Home Learning! The children (and you) have been working so hard these past few weeks! I have received so many excellent examples of fantastic work!

We will continue with two Zoom lessons each morning, with a duration of half an hour. Our noscreen day will be Wednesday again. There are plenty of activities on the Home Learning grid that don't need screen time

As a polite reminder, here is a step by step guide for children of how to prepare to make the most of their learning during our Zoom sessions. Please share this with them.

1. Before you begin your remote education, you should make sure that you have had your breakfast and are dressed for the day.

2. Prepare yourself a tall glass of water and have a pen and paper ready, together with any other equipment or resources you might need.

3. Click on the Zoom links at the allocated times to join and I will admit you to the lesson.

4. We recommend that you take part in both of the online lessons and try to complete at least three subject areas each day. Here is an example of what your timetable might look like for the day:

Lesson 1 Wellbeing break	Lesson 2	Lunch time	Exercise break	Lesson 3
--------------------------	----------	------------	-------------------	----------

5. We recommend that you break your learning up into small chunks, with lots of time away from your computer screen. Please build in time to exercise. Try to move around as much as possible, stretching your shoulder and neck muscles often. There are a lot of 'at-home' workouts that you can do, such as the online workouts by Joe Wicks on Youtube.com.

6. Lastly, make sure you are looking after yourself. You need to have relaxation time and fresh air. This is very important.

Zoom Timetable					
Joining instructio	ns				
Secure links for Z	oom sessions will be ser	nt to you separately via Scho	oolPing.		
This week our no	screen time day is going	to be on Wednesday.	r		
Date	Time and duration	Subject	Worksheet (to be completed after the session independently)		
Monday 8 th February	1. 9:30 to 10:00am	Maths	Recap Equivalent Fractions		
orebluary	2. 10:45 to 11:15am	e-Safety			
Tuesday	1. 9:30 to 10:00am	Maths	Equivalent Fractions 1 and 2		
9 th February	2. 10:45 to 11:15am	Reading Comprehension			
Wednesday 10 th February	No Zoom sessions – "No screen time" day				
	1. 9:30 to 10:00am	Maths	Fractions Greater than 1		
Thursday 11 th February	2. 10:45 to 11:15am	Science (International Day of Women and Girls in Science)			
	1. 9:30 to 10:00am	English/Maths	Spelling test/Maths test		
Friday 12 th February	2. 10:45 to 11:15am	Good to be Green Time	Breakout Rooms		

On the grid below you will find other activities that you can access this week. These could be completed during the suggested time for independent learning (in Lesson 3 above) or during our "no screen time" day on Wednesday. Please note, <u>you are not expected to do everything</u> but ideally you should be trying to complete the English and Maths tasks that have been set, to maintain and improve your skills in these areas. You also need to download this week's spellings in preparation for our Spelling Test on Friday. It would be helpful if you could listen to my pre-recorded readings of **The Secret Lake** chapters. These can be found on Seesaw.

There are a number of themes to celebrate this week, including **Safer Internet Day**. Look out for the Creative Arts **Competition** to design an E-Safety poster – Mrs Parker will choose winners for each year group and they will be displayed in school. **International Day of Women and Girls in Science**, **Chinese New Year** and **Valentine's Day** are also marked this week and there are some fun activities attached to the blog for you to do.

Make sure that you do physical activities each day, as well as having some relaxation time. Finally, please continue to post all of your amazing work on Seesaw. Thank you Mrs Blomeley

You have produced some great writing work from the **Oak Academy** lessons and we will continue with this work this week. Most of this week's spellings are based around these lessons. Please do take a look and complete the lessons. We will

focus on Lessons 9 to 12 this week, based around **The Robin** film clip. When you have clicked on the link, the instructions are easy to follow. Try to complete all the activities within each lesson.

	blog.				

	We will be reading more chapters of The Secret Lake on Zoom and exploring some of our Reading Gems.				
<u>Reading</u>	We are almost at the end of the think and predict what you thin next!	X WILLIAM X			
<u>Science</u>	Women in STEM	This week marks the celebration of International Day of Women and Girls in Science. We will be looking at some of the leading female figures in Science. Do you know what the letters STEM stand for? Can you research a famous woman Scientist and create a Fact File about her? We will share these in our Zoom session on Thursday.			
<u>Online Safety at</u> <u>Home</u>	Have a look at the activities attached to the Class Blog to test how safe you are when you are online at home!	#OnlineSafetyAtHome From Thinkuknow			
<u>Creative Art</u>	Competition - Design a Poster for Safer Internet Day! OSCAR'S TOP TIPS for staying safe in the online world.	We will be watching and listening to "Oscar's Top Tips" for staying safe in the online world. Can you create a poster for Safer Internet Day? Mrs Parker will choose winners for each year group. Winning entries will receive a certificate and have their posters displayed in school! Send them to: admin@broadbentfold.tameside .sch.uk for my attention, and I will pass them to Mrs Parker			
	A Brown	- ,			
Physical Education	More dance session for KS2 wit can learn Contemporary Dance <u>https://www.youtube.com/wat</u> PE Dance Lesson with Lianne - C	attention, and I will pass them to Mrs Parker h Lianne from Active Tameside – this week you ! A great way to keep active! tch?v=grINWfxMiIM			

<u>Handwriting</u>	Don't forget to log into Letterjoi I will be giving out handwriting p practising to make sure you get <u>https://www.letterjoin.co.uk/</u> Username: jk5800 Password: home	ens whe	
<u>Chinese New Year</u> 2021	Chinese New Year begins on 12 th February and 2021 is the Year of the Ox! You will find some fun activities on the Class Blog such as a Chinese Traditions Wordsearch, How to make a Paper Lantern, Chinese New Year Cone Characters and a Chinese Fortune Puppet.		
<u>Valentine's Day</u>	There is a great Mystery puzzle to solve, which is attached to the Blog (The Mystery of The Missing Red Rose). There are also some Valentine's Day mindfulness colouring sheets and a craft activity to make a Valentine's wool heart.
