#### Victory in Europe Day!

This Friday, 8<sup>th</sup> May, is the 75<sup>th</sup> Anniversary of VE Day. Have a look at documents attached to this blog, ranging from a power point that explains what VE Day is, to ideas for your “Stay at Home” VE Party, including how to make your own bunting! Have a look at the ideas on Tameside government’s website to find a tutorial for dances and songs to have at your party!

<https://www.tameside.gov.uk/VE75>.

Miss Laitl has also set a VE Day Art Challenge – I know that Year 4 will love this!

#### Literacy and Communication

I’m sure you have all heard about Captain Tom Moore who has recently completed a fundraising challenge and become a hero! Find the sheets on this blog which tell you all about him and then complete your own challenge of writing a letter or thank you card and send it to someone who has made a difference in your local community. This could be for a family member, a neighbour or even a teacher!
