

Home Learning Year 2
 Week Beginning 23rd March 2020
 Mrs Neary/ Miss Laitl

Topic	Bees: Where would be without the bee?	
Literacy and Communication	Write a set of instructions explaining how to plant a bulb/ some seeds. Remember to include lots of adverbs (ly words). Challenge- can you use th conjunctions and, but, because to add more details to your instructions?	Imagine you are a bee. Can you write a diary describing your busy day? Watch this video to see what bees get up to! https://www.youtube.com/watch?v=ta154f5Rp5Y
Maths and Problem Solving	Can you subtract using a number line? Make your own number line up to 30. Watch this video to remind you how to subtract using your number line: https://www.youtube.com/watch?v=quiZDDk5gYU Start with the number 29. Ask your grown up to give you a number less than 29 to subtract on your number line.	Practise your 2, 5 and 10 times tables. Can you make a poster? Can you spot any patterns and talk to your grown up about what you find? Ask someone to test you to see if you can memorise your times tables.
Science and the outside environment	Research the life cycle of a bee. Can you draw the life cycle?	
Humanities and Citizenship	Can you name the 7 continents? Try and draw a map showing the 7 continents.	
Creative Arts	Can you create something using recycled waste? <ul style="list-style-type: none"> • A honey comb, • A bee, • A bee hotel. 	
Physical Education	Follow this warm up: https://www.youtube.com/watch?v=d3LPrh10v-w Try some yoga: https://www.youtube.com/results?search_query=cosmic+kids	
Reading	Please try and read for at least 15 minutes every day.	Can you find a book about insects in your house? Can you think of any nursery rhymes or songs with insects in them? Maybe your grownup might know some you've not thought of!
