

Autumn 2

<p>Plan a tea party on the moon for the aliens. You could draw pictures of the food you want at the party. Think about what kind of food an alien might like- star biscuits, rocket jelly or moon cheese balls.</p>	<p>Can you draw or paint a picture of one of your favourite space aliens from the story 'Aliens Loves Underpants'.</p>	<p>Share a story every day. Can you retell your favourite story and share it on seesaw?</p>
<p>Can you make a Space rocket? What materials will you use? Post your rocket on seesaw.</p>	<p>Can you draw or paint a Christmas picture? Maybe you could write a letter to Father Christmas.</p>	<p>Can you go on a number hunt? How many numbers can you spot?</p>
<p>Christmas time is a time to think about ways we can be kind and helpful to others. How could you be a kind and helpful friend?</p>	<p>Choose your favourite art materials, such as crayons, pens or paint and create a firework picture. How many colours can you use to make your fireworks?</p>	<p>Use a long piece of ribbon or a scarf to make firework movements in the air. You could make big explosions like a firework or hold it in front of you and make short movements like a sparkler.</p>

Over this half term these are activities that you can complete if you are self-isolating, home learning or just want to do something extra.

Please send in photographs of what you get up to.
