

Summer 1

How can you tell if someone is a Spy or a Detective?

<p>Research Ian Flemmings' James Bond character. Write a character description of James Bond.</p>	<p>Research Leonardo Da Vinci. Who was he? What was he famous for?</p>	<p>Dress up as a spy and create your very own little super sleuth.</p>	<p>Create your very own little comic book with the adventure of your super sleuth character.</p>	<p>Research how to make improvements to the environment. Link your work and experiences to the Art's Award- Keen to be Green</p>
<p>Make up your own code using symbols and signs. Write a message and see if someone can decipher it.</p>	<p>Recreate one of Leonardo Da Vinci famous painting.</p>	<p>Have a go at some of the online resources for Spy Kids. https://www.coffeecupsandcrayons.com/spy-school-kids-activities/</p>	<p>Research renewable energy sources. What are they? Do you use any at home? Can you identify where some are?</p>	<p>What have you done at home to make improvements to the environment? Have you saved electricity? Do you use</p>
<p>Over this half term these are activities that you can complete if you are self-isolating, home learning or just want to do something extra. Please post your photographs of what you get up to onto Seesaw or email them into school.</p>			<div data-bbox="1330 1010 2101 1353" data-label="Image"> </div> <p>Create your very own Spy Gadget</p>
