

Summer 1 2022

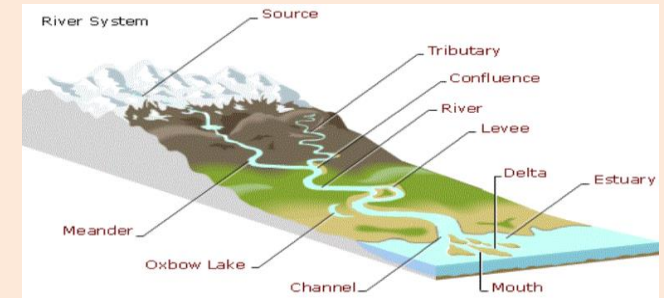

Where does water come from?

□ Make a list of all the Rivers in the North west of Britain.

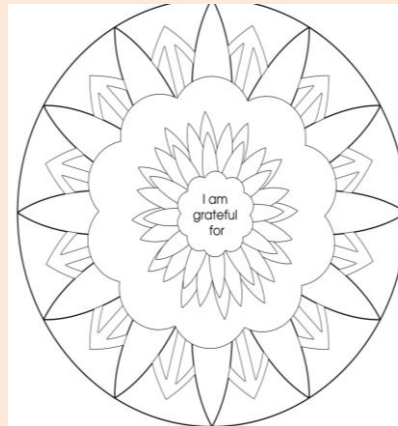

□ Find out the highest mountain ranges in.
England
Scotland
Wales
Northern Ireland.

□ Draw/paint a picture of a river system.

□ Explore in your garden or the outdoors for different habitats.
Make a list of all the minibeasts that you can find.
Complete a bird survey and see how many different species of birds visit your garden.

□ Create a mindful poster that demonstrates what you are grateful for.

□ Practise, Practise, Practise your times tables. Spend some time every week just dedicated to reciting your times tables. Knowing them will stand you in good stead for future learning.

Over this half term these are activities that you can complete if you are self-isolating, home learning or just want to do something extra.
Please post your photographs of what you get up to onto Seesaw or email them into school.

Find out about the famous painter Katsushika Hokusai
