Remote Learning/ Live Lessons

Monday 28th June - Friday 2nd July

This week, children will have the opportunity to join the live lessons at school from home. Here is a step by step guide for how to schedule your learning and get the most out of this experience.

1. Before you begin your remote education, you should make sure that you have had your breakfast and are dressed for the day.
2. Prepare yourself a tall glass of water and have a pen and paper, and any other appropriate equipment you might need, ready.
3. Click on the zoom links at the allocated times to join the lesson and your class teacher will admit you to the lesson.
4. During the day we recommend that you take part in at least 3 lessons from different subject areas each day. Here is an example of what a timetable for your day might look like:

Lesson 1	Wellbeing break	Lesson 2	Lunch time	Exercise break	Lesson 3
----------	--------------------	----------	---------------	-------------------	----------

5. We recommend that you break your learning up into small chunks, with lots of time away from your computer screen. Use the learning grids provided by your teacher to guide your choice of lessons. Please build in time to exercise. Try to move around as much as possible, stretching your shoulder and neck muscles often. There are lots of 'at-home' workouts that you can try or try the online workouts by Joe Wicks on Youtube.com.
6. Lastly, make sure you are looking after yourself. Make sure that you have relaxation time and fresh air and we look forward to seeing you in the classroom from home.

Thursday 1st July	<p><u>Lesson 1 - Zoom live lessons.</u> Log in to zoom to join our live session at 9am maths. We will be completing work on telling the time to half an hour (Time). https://vimeo.com/548509799 Follow up activity on seesaw.</p> <p><u>Lesson 2</u> MyMaths - Geometry 2. Choose an activity to complete from the variety of activities below.</p> <p><u>Lesson 3 - Zoom live lesson.</u> Log in to zoom to join our live session at 1pm. We will be completing work on spelling, punctuation, and grammar. Follow up activity on seesaw.</p>
Friday 2nd July	<p><u>Lesson 1</u> Choose an activity to complete from the variety of activities below.</p> <p><u>Lesson 2</u> Choose an activity to complete from the variety of activities below.</p> <p><u>Lesson 3 - Zoom live lesson.</u> Log in to zoom to join our live session at 1pm maths. We will be completing work on o'clock and half past (Time). https://vimeo.com/548510157 Follow up activity on seesaw.</p>
See below for a variety of activities for your child to complete this week.	
Literacy and Communication	Write an information leaflet about Why we should look after the world's Oceans?

Home Learning Year 2

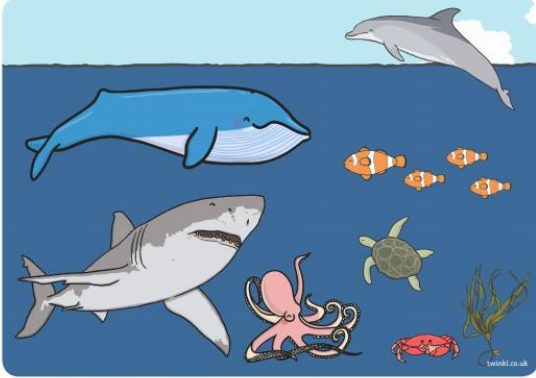

Week Beginning 28th June 2021

Miss Lewis

	<p>INTRODUCTION TO PLASTIC POLLUTION</p> <p>Over the last 50 years, plastic products have become almost irreplaceable in our lives and are used in huge quantities across the world. 9% of the world's crude oil is used for producing plastic in thousands of different forms for human beings.</p> <p>As this substance is very cheap and versatile around 50% of the plastic items we produce are single use products and subsequently get thrown away almost immediately. Plastics do not biodegrade, they photodegrade this involves plastic breaking down into smaller and smaller pieces under the exposure of the sun's ultraviolet rays but never ceasing to exist in their most basic form. This means, with the exception of the small amount that has been incinerated, virtually every piece of plastic ever made still exists in some shape or form.</p> <p>663 SPECIES AROUND THE WORLD ARE HARMED BY PLASTIC EVERY YEAR</p> <p>PLASTIC TAKES OVER 1,000 YEARS TO DEGRADE</p> <p>PLASTIC POLLUTION FACTS</p> <p>IN 2006 EVERY SQUARE MILE OF OCEAN HOSTS 46,000 PIECES OF FLOATING PLASTIC</p> <p>DUMPING OF PLASTIC WASTE IN THE OCEAN HAS INCREASED BY 10% EVERY YEAR FOR THE PAST 20 YEARS</p> <p>44% OF SEABIRDS 43% OF OCEAN MAMMALS AND 86% OF SEA TURTLES INGEST OR BECOME TANGLED IN THIS MAN MADE MATERIAL</p> <p>NO OCEAN ON EARTH IS UNAFFECTED BY PLASTIC POLLUTION</p> <p>FIND OUT MORE AND GET INVOLVED!</p> <p>Global Ocean is a London-based marine conservation charity established in 2004. We focus on informing the public about plastic pollution and marine debris, and teaching children about the importance of a healthy ocean. Our objective is to heighten public awareness about the plight of the sea and to change the social attitude towards marine conservation.</p> <p>To do this, Global Ocean aims to:</p> <ul style="list-style-type: none"> • Be the voice on plastic pollution in our oceans. • Fund small projects with big impacts worldwide. • Protect marine species and their habitats. • Generate an affinity to the marine world, to encourage individuals to positively contribute to marine stewardship. • Highlight the importance of individual and collective responsibility for our marine resources, to safeguard them for future generations. • Facilitate relationships between marine conservation bodies to guarantee long-term sustainability of the oceans. <p>facebook.com/globalocean twitter/globalocean #PlasticPollution Global Ocean Registered charity in England & Wales No. 1112899 Design by ogowendesign.com</p> <p>GLOBALOCEAN.ORG.UK</p>
<p>Maths and Problem Solving</p>	<p>Please write in your best handwriting and include your phonics when spelling new words, remember punctuation and make it as interesting as you can for the reader.</p> <p>Here is a link for Maths activities for the scheme that we use in school - White Rose Maths. This can be used to support as a pre-learn or to recap.</p> <p>https://whiterosemaths.com/homelearning/year-2/summer-week-3-geometry-position-and-direction/</p> <p>https://whiterosemaths.com/homelearning/year-2/summer-week-7-measurement-time/</p>
<p>Maths</p>	<p>I have set new lessons on MyMaths, if you need your individual portal password please contact me.</p> <p>The general school log in is below, the set tasks are in the portal area (your child will need to log in with their individual username and password.)</p> <p>School login: broadbent School password: boostbroadbent</p>
<p>Science and the outside environment</p>	<p>Can you draw a picture of one of the worlds habitats and research/draw a variety of animals that live in that habitat?</p>

Home Learning Year 2
 Week Beginning 28th June 2021
 Miss Lewis

	<p>World habitats to choose from: Artic, Desert, Tropical & Ocean.</p> <p>Here is my example of the Ocean.</p> 	
<p>Humanities and Citizenship</p>	<p>Watch Newsround and stay up to date with the latest news for children. If you have any questions about Newsround, please ask an adult.</p> <p>https://www.bbc.co.uk/newsround/news/watch_newsround.</p>	<p>Research a charity that we could support this half term that helps to protect our oceans from pollution.</p> <p>Present your charity and the work they do in a poster.</p>
<p>Creative Arts</p>	<p>Can you make a Punch and Judy puppet? Use any materials you can find at home.</p>	
<p>Physical Education</p>	<p>Practice your athletics skills:</p> <ul style="list-style-type: none"> • How far can you throw a ball/a rolled up pair of socks? • How far can you jump from standing? • How fast can you run from one side of your garden/house to the other? 	<p>Choose 5 of your favourite Just Dance videos to do.</p>
<p>Reading</p>	<p>Reading- aim for 30 minutes a day.</p> <p>Read about why plastic is a problem in our world oceans.</p>	<p>Use the EPIC link and complete some reading of online books.</p> <p>Go to www.getepic.com/students</p> <p>Enter class code: cbu3142</p>

		Select your name I have assigned 'A Hole in the Bottom of the Sea' and 'Life Under the Sea: Corals'. Please feel free to explore.
Times tables	Do not forget to continue to practise your timetables. Spend at least 10 minutes a day on TT Rockstars. https://trockstars.com/ If you are at the stage for a test- use this link to help test your knowledge. Online Times Tables Tests - http://www.timestables.me.uk/ and choose your 2, 5 and 10 times tables. Try your 3 times table if your up for a challenge!
