Encourage anyone at home to join in too!

Why not create your own dance or teach us how to do a TikTok dance by creating your own dance tutorial!

Get moving with GoNoodle, Cosmic Kids Yoga or Yoga for Teens with Adriene!

Physical Education KS1 / KS2: Hybrid Sports - Attacking and Defending

Take part in a fun combination of games and learn attacking and defending tactics.

Go outside and play on your bike / skateboard / roller skates / scooter. You could even play a game in the garden or outdoor area. Football, basketball, tig etc. As long as you're outside getting active!

Make up your own game or sport. A personal favourite of mine is trying to see how many socks I can 'score' into the washing basket. You may also want to play 'tin can' bowling. Get creative. Take photos / videos of your game.

Go for a walk with your family. Spend some time together outside. Take photos of some of the sights / wildlife you see. Be the outdoor photographer for the day. Your phones / fitbits / step trackers will count the number of steps you did. Share them on Teams!
