

Broadbent Fold Primary School and Nursery

Pupil Premium and Recovery Premium Strategy Statement 2022-2023

Broadbent Fold

Primary School & Nursery

Vision

At Broadbent Fold we enable each child to unlock their talents and celebrate their individual successes. We are preparing our children for the opportunities and challenges they will encounter in our community and the wider world.

We aim to achieve this by:

- Fostering positive relationships striving for empathetic, tolerant and respectful children.
- Equipping our children with essential, practical skills to enable them to flourish, develop and succeed in the future.
- Teaching through our creative curriculum encouraging children to take ownership of their learning in order to develop enquiry, interest and confidence.
- Encouraging our children to develop independence, so they become global thinkers and aspire for excellence.
- Nurturing their physical and emotional wellbeing to develop well-rounded, happy, resilient children.
- Working collaboratively with our families to ensure all children reach their full potential. Broadbent Fold is an inclusive school, committed to providing diverse and rich experiences for all children.

Learning Today for Tomorrow's World

This statement details our school's use of pupil premium (and recovery premium for the 2022 to 2023 academic year) funding to help improve the attainment of our disadvantaged pupils. National Tutoring Programme is on a separate report.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

School overview

Detail	Data
School name	Broadbent Fold Primary School and Nursery
Number of pupils in school	226
Proportion (%) of pupil premium eligible pupils	12% (26 pupils)
Academic year/years that our current pupil premium strategy plan covers	2022/2023
Date this statement was published	May 2022
Date on which it will be reviewed	April 2023
Statement authorised by	Catherine Parker
Pupil premium lead	Catherine Parker
Governor / Trustee lead	Bob Boyle

Funding overview

Detail	Amount
Pupil premium funding allocation this academic year	£22,440
Recovery premium funding allocation this academic year	£1,088
Pupil premium funding carried forward from previous years (enter £0 if not applicable)	£0
Total budget for this academic year	£22,440
If your school is an academy in a trust that pools this funding, state the amount available to your school this academic year	£1,088 Covid Recovery £23,528.

Part A: Pupil premium strategy plan

Statement of intent

Our intention is that all pupils, irrespective of their background, make good progress and achieve high attainment across all subject areas. The focus of our pupil premium strategy is to support disadvantaged pupils to achieve that goal. We will consider the challenges faced by vulnerable pupils and disadvantaged pupils caused by the disruption to their education as a result of Covid-19. This statement is also intended to support all our pupil's needs, regardless of whether they are disadvantaged or not.

High-quality teaching is at the heart of our approach, with a focus on areas in which disadvantaged pupils require the most support. This is proven to have the greatest impact on closing the disadvantage attainment gap and at the same time will benefit the non-disadvantaged pupils in our school. Implicit in the intended outcomes, is the intention that non-disadvantaged pupils' attainment will be sustained and improved alongside progress for their disadvantaged peers.

Our strategy is also integral to wider school plans for education recovery, notably in its targeted support through the National Tutoring Programme for pupils whose education has been worst affected, including non-disadvantaged pupils. "School closures have serious effects on the education, development and well-being of children. In addition to depriving them of the necessary social interactions that support and promote their mental well-being, school closures led to remote learning arrangements that did not offer the same educational outcomes. In addition, even in the best settings, socially disadvantaged children and those in greater need of educational support have fallen behind, increasing social inequity."

<https://www.unicef.org/eca/press-releases/largest-disruption-schooling-history-due-covid-19-measures-must-not-rob-children>

Our approach will be responsive to the challenges and individual needs, rooted in robust diagnostic assessment. The approaches we have adopted complement each other to help pupils excel. To ensure they are effective we will:

Development of Teaching

- High quality teaching is at the heart of our plan across subjects.
- Using research to improve outcomes of pupils – EEF. CPD time to talk and review.
- Ensure disadvantaged pupils are challenged in the work that they're set alongside peers.
- Social and emotional wellbeing is supported in the curriculum in the classroom.

Targeted Support

- Act early to intervene at the point need is identified.
- Clear interventions which show impact and move pupils on swiftly. Improved pupil feedback.

Wider Strategies

- Develop a whole school approach in which all staff take responsibility for disadvantaged pupils' outcomes and raise expectations of what they can achieve ' build belief'.
- Effective training based on current needs of pupils and community.
- Social and emotional wellbeing is supported in the curriculum outside of the classroom.
- Attendance and learning mentor support with pupils having difficulty.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	EYFS baseline indicates that children are increasingly entering our school well below baseline expectations. Our disadvantaged children are significantly behind our non-disadvantaged in many areas of learning, including: Speaking, Literacy, Numeracy and Physical Development.
2	Diagnostic assessments have shown that our disadvantaged KS1 pupils are making less progress than their peers. School to accelerate progress and reduce this gap in reading, writing, maths and phonics.
3	Diagnostic assessments have shown that 50% of our disadvantaged KS2 pupils are making expected progress. School is working to improve this outcome and reduce this gap with their non-disadvantaged peers in reading, writing and maths.
4	Our observations have shown that pupil's social and emotional issues continue to impact pupil's self-esteem and confidence. We have seen an increase with anxiety, attachment, bereavement, anger and issues with regulation of emotions. Individual and group support is needed in many cases.
5	Our disadvantaged and vulnerable pupils have not had access to wider opportunities and enrichment activities that are in addition to what the school curriculum offers e.g., extra-curriculum clubs, visits and visitors.
6	Parental involvement in pupil's learning and development has been a challenge. Pupil attendance has dipped. Work is needed to engage parents and ensure they are bringing their child to school everyday, working in partnership with school.

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
To have improved vocabulary and oracy skills.	<ul style="list-style-type: none"> • Observations show improvement and pupils engaging in speaking and listening activities to various audiences. • Assessments and observations indicate significantly improved oral language among disadvantaged pupils. Evidence includes engagement in lessons, book scrutiny and ongoing formative assessment. • Impact evident in other subject areas e.g., reading and writing. • EYFS speech and language support has been effective with Learning mentor input and support. • WELCOMM and individual speech and language cases supported by Learning Mentor time. • Programmes such as, Vocabulary Ninja and Jane Considine (spelling) are embedded. • Develop pupil's oracy whole school e.g. Poetry sharing assemblies.
Pupils in receipt of pupil premium make accelerated progress in: <ul style="list-style-type: none"> - Key areas of learning identified in our challenges. - English, phonics and Mathematics. 	<ul style="list-style-type: none"> • High quality teaching and learning based on effective CPD and research. • Teachers aware of who pupil premium children are and are accountable for progress. • Marking and feedback is effective and accelerates learning in lessons. • Support swiftly in place for pupils who fall behind. • Interventions are impacting on progress and narrowing gaps with peers locally and nationally. Tracking for this is effective using provision mapping. Interventions reviewed half termly to ensure impact. • Monitoring programme across school has improved outcomes. • Targeted pupils have met expected standards.
To achieve and sustain improved wellbeing for all pupils in our school, particularly our disadvantaged pupils.	<ul style="list-style-type: none"> • Wellbeing Team in place with trained Senior Leader in Mental Health. • CPD tackles whole school strategies for wellbeing. • In-school counselling support in place and targeted pupils are receiving the support.

	<ul style="list-style-type: none"> • Children are having access to resources and experts that is beyond the school community E.g. The Hive. • Forest schools has targeted pupils with particular emotional needs. Children can express themselves in different ways. • Foundation subjects develop and broaden key core skills. Pupils apply skills and knowledge across the curriculum. • Worry Wizard work has supported worries and Wellbeing Champions having an impact. • Social games to enable children to solve problems. • Anna Freud and Emotionally Friendly Schools been used in our curriculum effectively to improve wellbeing. • Links made to counselling services: In-trquest/Off the Record / The Hive to support vulnerable pupils. • Enrichment activities have been offered and this has supported pupil's wellbeing.
To improve links with parents to ensure pupil attendance strengthens.	<ul style="list-style-type: none"> • Work with parents on accessing key information from Arbor and school website. • Early Help and Attendance Meetings in place to support families, who have children struggling to return to school. • Increased parent attendance at book looks, workshops and important meetings. • School attendance and PA improves. • Parents attending assemblies and celebrating their child's achievements. • PTFA strengthened.

Activity in this year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Budgeted cost: £7,433 plus £795

CPD Time / Learning Mentor Time / Provision Mapping.

Activity	Evidence that supports this approach	Challenge number(s) addressed
<ul style="list-style-type: none"> - Ensure high quality teaching and learning standards across the school. - Ensure marking and feedback has impact and moves pupils on quickly in learning. - Ensure assessment process is effective. -Peer and self-assessment is being used to accelerate the learning process. -Diagnostic assessments are used effectively. -To show the impact of assessment during lesson time. -High expectations of learning is clear in monitoring. - Develop moderation experience within school and our Dukinfield cluster. - Build peer support with cluster classes. Look at peer coaching. -Staff CPD to provide time to research, coach and share good practice. EEF time to reflect. -Accelerate learning through interventions and additional adult support. -Continue to develop our curriculum planning. To ensure it is progressive in relation to knowledge and skills. It should allow pupils time to review and learn new knowledge. Developing long term memory. 	<p>https://educationendowmentfoundation.org.uk/guidance-for-teachers/covid-19-resources/early-years-support-for-schools</p> <p>https://educationendowmentfoundation.org.uk/education-evidence/guidance-reports/implementation</p> <p>https://educationendowmentfoundation.org.uk/education-evidence/guidance-reports/teaching-assistants</p> <p>https://educationendowmentfoundation.org.uk/education-evidence/guidance-reports/feedback</p>	1,2,3

<ul style="list-style-type: none"> -Ensure vulnerable pupils are effectively planned for and provision in place. - Develop staff confidence / knowledge teaching subjects such as Art & Design / Design & Technology and Music. 		
<ul style="list-style-type: none"> -Continue to develop our Marking and Feedback policy with the ethos Building Belief. -Subject leaders to monitor their subject and show the development of pupil's learning and outcomes. -Termly pupil review. Half termly where needed. - Staff Inset time dedicated to reviewing marking and feedback and refresh research. - Pupil Leaders to support checking marking and providing ideas for improvement. 	<p>Standardised tests can provide reliable insights into the specific strengths and weaknesses of each pupil to help ensure they receive the correct additional support through interventions or teacher instruction: Standardised tests Assessing and Monitoring Pupil Progress Education Endowment Foundation EEF</p> <p>https://educationendowmentfoundation.org.uk/news/eef-publishes-new-guidance-report-teacher-feedback-to-improve-pupil-learning</p>	1,2,3
<ul style="list-style-type: none"> - To embed phonics programme to secure stronger phonics teaching for all pupils – First Class Phonics. - Phonics subject leader to have clear picture of pupil's starting points in EYFS to End of KS1. - Ensure reading phonics books are linked accurately. £1,000. 	<p>Phonics approaches have a strong evidence base that indicates a positive impact on the accuracy of word reading particularly for disadvantaged pupils: Phonics Toolkit Strand Education Endowment Foundation EEF</p> <p>Phonics subject leader reviews / observations and monitoring evidence.</p>	2
<p>To embed the work completed with White Rose Jigsaw and NCETM to ensure strategies taught have increased pupil understanding and confidence.</p> <p>Maths Resources: White Rose Booklets £1,620. Number Frames / Domino/Place value counters / Tortoise - £176.27. Dynamo Maths online – £1,280.</p>	<p>Jigsaw / NFER Reception Mathematics with White Rose. https://www.nfer.ac.uk/for-schools/participate-in-research/white-rose-maths-reception-jigsaw/</p> <p>The DfE non-statutory guidance has been produced in conjunction with the National Centre for Excellence in the</p>	1,2,3

	<p>Teaching of Mathematics, drawing on evidence-based approaches: Maths_guidance_KS_1_and_2.pdf (publishing.service.gov.uk)</p> <p>The EEF guidance is based on a range of the best available evidence: Improving Mathematics in Key Stages 2 and 3</p>	
<p>To embed the enjoyment of reading across school:</p> <ul style="list-style-type: none"> - Increase the amount of quality texts in classrooms. - Create exciting spaces for pupils to read. £6,100. - Develop the love of reading in the outdoors. - Improve the reading books across school. £3,000. - Increase the work we do with authors and illustrators. £345 per day. 	<p>https://clpe.org.uk/blog/choosing-and-using-quality-texts</p> <p>https://www.booktrust.org.uk/news-and-features/features/2021/may/creating-the-perfect-school-library-space/</p> <p>https://educationendowmentfoundation.org.uk/education-evidence/teaching-learning-toolkit/reading-comprehension-strategies</p>	1,2,3,5
<p>To improve the provision in music, art & design and design and technology to inspire learners and develop their confidence.</p> <p>Music equipment / trolley / £194.98 / £614.90.</p> <p>Art and D&T - £50.00.</p>	<p>https://educationendowmentfoundation.org.uk/education-evidence/evidence-reviews/arts-education</p>	1,2,3,4,5,6

Targeted academic support (for example, tutoring, one-to-one support structured interventions)

Budgeted cost: £7,361 HLTR time x 3 days x 38 weeks

Activity	Evidence that supports this approach	Challenge number(s) addressed
Improve the quality of social and emotional (SEL) learning.	There is extensive evidence associating childhood social and	4,5,6

SEL approaches will be embedded into routine educational practices and supported by professional development and training for staff.	emotional skills with improved outcomes at school and in later life (e.g., improved academic performance, attitudes, behaviour and relationships with peers): EEF_Social_and_Emotional_Learning.pdf (educationendowmentfoundation.org.uk)	
Additional phonics sessions targeted at disadvantaged pupils who require further phonics support. Embed current spelling programme Jane Considine. Invite parents into school to demonstrate how these are taught and how they can support their child at home.	Phonics approaches have a strong evidence base indicating a positive impact on pupils, particularly from disadvantaged backgrounds. Phonics Toolkit Strand Education Endowment Foundation EEF https://educationendowmentfoundation.org.uk/education-evidence/teaching-learning-toolkit/parental-engagement	1,2
Continue with the National Tutoring Programme to provide a tuition for pupils whose education has been most impacted by the pandemic. A significant proportion of the pupils who receive tutoring will be disadvantaged, including those who are high attainers.	One to one tuition EEF (educationendowmentfoundation.org.uk) And in small groups: small group tuition Toolkit Strand Education Endowment Foundation EEF	1,2,3
To ensure pupils have access to learning platforms in school and can be developed at home. Purple Mash £800	https://educationendowmentfoundation.org.uk/public/files/Remote_Learning_Rapid_Evidence_Assessment.pdf	1,2,3,5,6
To ensure our SEND/ Disadvantaged learners are well tracked to enable to close the gaps against peers. -BSquared £1,050.	https://educationendowmentfoundation.org.uk/public/files/Publications/Send/EEF_Special_Educational_Needs_in_Mainstream_Schools_Guidance_Report.pdf	1,2,3,

Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: Attendance Officer, staff time delivering clubs/resources, HLTR time Forest Schools £1,852

Activity	Evidence that supports this approach	Challenge number(s) addressed
-Wellbeing Champion Development. - Work with the Worry Wizard on pupil / school developments.	https://educationendowmentfoundation.org.uk/education-evidence/teaching-learning-toolkit/social-and-emotional-learning?utm_source=/education-evidence/teaching-learning-toolkit/social-and-emotional-learning&utm_medium=search&utm_campaign=site_searchh&search_term	4,5,6
Forest Schools -Develop planting/growing outdoors. -Invite the community to support developments. Tree Station/Updated equipment/Den building/cooking resources £145.		1,2,3,4,5,6

Total budgeted cost: £23,528+ (£24,228)

Including library make-over/books and author £33,673

Part B: Review of outcomes in the previous academic year

Pupil premium strategy outcomes

Aim of Premium:	Outcome and Evidence:
<p>1. To have improved vocabulary and oracy skills.</p>	<ul style="list-style-type: none"> - Training has taken place with Wellcomm to ensure pupils have been targeted in EYFS. Autumn End – 75% of pupils on track in Speaking Understanding in reception. - Observations from SLT and Ofsted show that pupils are engaging in speaking and listening activities at a suitable level. - Assessments and observations indicate significantly improved oral language among disadvantaged pupils and pupils entering our EYFS. Evidence includes engagement in lessons, book scrutiny and ongoing formative assessment. - Impact is becoming evident in other subject areas e.g. reading 65% of pupils are on track in nursery and reception. - EYFS speech and language support has been effective with Learning mentor input and support. Key programs are in place for specific pupils. - Programmes such as, Vocabulary Ninja and Jane Considine (spelling) are becoming embedded. Planning, the classroom environment across school shows consistency in school approaches and the importance of vocabulary in their learning. - Assembly provides time for pupils to develop confidence talking to groups.
<p>2. Pupils in receipt of pupil premium make accelerated progress in:</p> <ul style="list-style-type: none"> - Key areas of learning identified in our challenges. - English, phonics and Mathematics. 	<ul style="list-style-type: none"> - Teacher observations / learning walks have take place and there is evidence of high quality teaching and learning taking place for all vulnerable groups. - Teachers aware of who pupil premium children are and are accountable for progress. Pupil progress meetings target these pupils and ensure any additional support is directed. - Marking and feedback is becoming more effective and accelerating learning in most lessons. Editing continues to be developed. - Support swiftly in place for pupils who fall behind. - Interventions are impacting on progress and narrowing gaps with peers locally and nationally. Tracking for this is effective using provision mapping. Interventions reviewed half termly to ensure impact. - Monitoring programme across school has improved outcomes. - Targeted pupils have met expected standards. End of year data to be added to show this progress.
<p>3. To achieve and sustain improved wellbeing for all pupils in our school,</p>	<ul style="list-style-type: none"> - Noted as an area of strength from our Ofsted in March 2023 – for all the school community. - Wellbeing Team is in places with trained Senior Leader in Mental Health.

particularly our disadvantaged pupils.	<ul style="list-style-type: none"> - CPD tackles whole school strategies for wellbeing. Reviewing current needs and issues. - EMHP is an in-school counselling service. This is supporting targeted pupils and impact is clear on attendance and engagement in lessons. - Children are having access to resources and experts that is beyond the school community E.g. The Hive. This is also being sent home for families to engage with. - Forest schools has targeted pupils with particular emotional needs. Children can express themselves in different ways. Anxiety and low mood has been targeted. - Foundation subjects develop and broaden key core skills. Pupils apply skills and knowledge across the curriculum. Book scrutiny shows this impact. Memory skills are the main hinderance on development. - Worry Wizard work has supported worries and Wellbeing Champions having an impact. This is a strength of our school. - Social games have enabled children to solve problems and work together to improve confidence. - Steering groups are a strength of our school, allowing children to be leaders and work with different age ranges.
4. To improve links with parents to ensure pupil attendance strengthens.	<ul style="list-style-type: none"> - We have worked with parents on accessing key information from Arbor and school website. New parent meetings and parent evenings support this. - Early Help and Attendance Meetings in place to support families. This is improving attendance of all pupils. Currently 95% attendance whole school. 93% disadvantaged pupils. - Increased parent attendance at book looks, workshops and important meetings. More opportunities for parents to come into school regarding their child's learning – SEND meetings, SATs meetings. - PTFA strengthened and school are raising funds for books and equipment.

Externally provided programmes

Please include the names of any non-DfE programmes that you purchased in the previous academic year. This will help the Department for Education identify which ones are popular in England
