The turtle swam quickly to shore because it couldn't breathe.	A seagull pecked, snapped and nipped at Stanley.	He made the whale cough.
A turtle swallowed Stanley and it began to choke.	He was not a jellyfish so he floated out to sea.	Stanley burst out of the whale's spout and Stanley was dropped back into the ocean.
The boy recycled Stanley and made him into a kite.	Stanley was ripped and scruffy so he fell further into the sea.	More seagulls came but they let Stanley go.
Something terrible happened! He was swallowed by a whale.	Stanley was swept into the sea and met some jellyfish.	A kind boy helped the turtle.
