

Write an adventure story involving pirates on a journey across the world.	Make a 3-D model of a pirate ship-can you make it float too?	Explain what a balanced diet is and show me on a plate. 	Make a telescope, hat and eyepiece-essential pirate equipment for our Pirate dress up day.	Music-learn a sea shanty song-get your adults at home to check the lyrics are appropriate first. Can you use instruments to play along-even pots and pans can be drums?
Create a fact file about famous pirates. We are learning about Black Beard and Anne Bonny.	Create a poem about a pirates/piracy. Can you make it rhyme?	Write a diary entry of a day in the life of a pirate.	Show me how you can multiply using the \times (multiply) symbol and divide (your 2, 3, 5 and 10 times tables) by sharing or by grouping or showing your understanding of commutative numbers. Use pictures to illustrate this.	Create a pirate treasure map. Don't forget directions and to make it look really old too. 
Over this half term these are activities that you can complete if you are self-isolating, home learning or just want to do something extra. Please post your photographs of what you get up to onto Seesaw or email them into school. You can also complete any of the activities into your homework book which will be collected in the last week of each half term.		Watch Pirates in the Caribbean or Hook or Peter pan and discuss what happened in the film.	Create a sketch of a pirate ship.	

Complete 8: Gold Award, 6: Silver Award, 4: Bronze Award
