

<p>Go on a shape hunt in your house, how many 3D shapes can you find? Photograph and label.</p>	<p>Try making some apple and honey muffins. <a href="http://allrecipes.co.uk/recipe/733/apple-and-honey-muffins.aspx">http://allrecipes.co.uk/recipe/733/apple-and-honey-muffins.aspx</a></p>	<p>Do some honey taste testing with your family and write about which you prefer and why.  Describe the flavours and how the honeys are similar or different?</p>	<p>Imagine you are the honey monster. Can you create a maze to get to the honey using the directions left, up, down, below, next to and right. This can be a video.</p>	<p>Write a fact file on the Manchester Worker Bee and what it means and why it is a symbol of Manchester.</p>
<p>Create a bee hotel using different materials. Draw and label materials, make, evaluate what worked, what didn't.</p>	<p>Listen to <i>Flight of the Bumblebee</i>. How does it make you feel, why? How does it make you think of a bee's flight? <a href="https://www.youtube.com/watch?v=MW8asBxO4oI">https://www.youtube.com/watch?v=MW8asBxO4oI</a></p>	<p>Plant some bee friendly wildflowers in your garden to help the bees pollinate. Take photos.</p>	<p>Research which flowers are the most bee friendly and do a survey (tally) of your garden and the neighbourhood, how many of these types of flowers can you spot?</p>	<p>Create a poster / fact file / leaflet about different bees from around the world. Focus on one country e.g. Africa.</p>
<p>Over this half term these are activities that you can complete if you are self-isolating, home learning or just want to do something extra. Please post your photographs of what you get up to onto Seesaw or email them into school. You can also complete any of the activities into your homework book which will be collected in the last week of each half term.</p>	<p>Create an information leaflet about the different types of UK bees.</p>	<p>Label parts of a plant and their functions.</p>
