

Stone Age Boy comprehension questions

1. How did the boy know he was lost?
2. Why does the boy think that Om thinks he is different?
3. Describe some of the jobs people were doing. How are these jobs different to the jobs we do today?
4. How did the boy feel during the hunt? How do you know?
5. Which animal did they catch and eat?
6. Why did the boy say 'Wow!' when he entered the cave?
7. What did the boy's family think that happened to him?
8. Why do you think the boy became an archaeologist when he was older?

Super challenge...

Imagine you are the boy and you have just come home.

Write a paragraph to explain to your friends what has happened to you. You can write it in a form of a letter or a diary entry.
