

She will be surprised, thought Handa as she set off for Akeyo's village.

Write 4 sentences to compare Africa and the South Pole. Try to use **and** / **but** or **because** to extend your sentences.

Share a packet of strawberries/blueberries (or equivalent) equally between you and your teddy bears / family. Can you write a number sentence to show what you have done? E.g. $20 \div 5 = 4$. Repeat 6 times with a different number of sweets/teddy bears.

Create a **hot** or **cold** scene in a shoe box. Think about the weather, plants/flowers, animals etc.

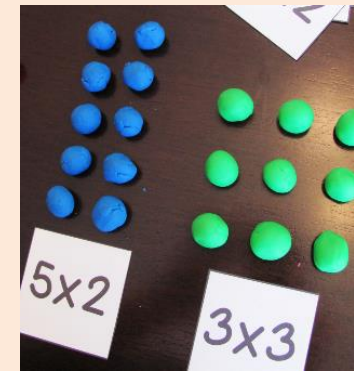

Choose 5 different items from around your house, e.g. plate, straw, paper, cake, apple etc. Can you cut them into half? Can you cut them into quarters? Can you show $\frac{3}{4}$?

Create arrays using play dough or toys for the following:

$6 \times 2 =$	$7 \times 3 =$
$3 \times 5 =$	$2 \times 7 =$
$2 \times 10 =$	$4 \times 6 =$
$4 \times 4 =$	$3 \times 4 =$

Over this half term these are activities that you can complete if you are absent from school or just want to do some cross-curricular activities.

Please post photographs of the activities onto Seesaw. You can also complete any of the activities in your homework book which will be collected in the last week of each half term.

Choose a **hot** or **cold** place from around the world e.g. Africa. Using the internet, find some pictures of it and discuss the key features that you can see.

Write a fact file for an animal that lives in a **hot** or **cold** place. You could include what it looks like, what it eats, where it lives and a picture of it. Be as creative as you can.

Continue to practise your number bonds to 10 and 20 and your timetables ($\times 10$, $\times 5$, $\times 2$). Present these in your book or by a video recording via Seesaw.

Complete 8 = Gold award.

6 = Silver award.

4 = Bronze award.
