

Summer 2 2026 **Where would you time travel to?**

<p>Write a comparison of two animals from different animal groups, e.g. mammals, reptiles, insects etc. Identify the similarities and differences.</p>	<p>Draw a line graph to show the temperature of Manchester over a week. Challenge: Can you draw another line graph to show the temperature of Egypt and compare them?</p>	<p>Create a map containing different items linked to Ancient Egypt. Can you describe the position of each object using coordinates?</p>	<p>Draw, paint or make Tutankhamun's mask.</p> 		
<p>Create acute, obtuse and right angles using straws/lolly pop sticks. Can you sort them into their different types? Can you put them in ascending and descending order?</p>		<p>Bake Ancient Egyptian bread or have a go at making another ancient recipe.</p>	<p>Create your own interactive story or game about time travel using Scratch</p>		
<p>Over this half term these are activities that you can complete as your home learning. Please post photographs of your work on Seesaw or complete in your homework book. Pupils will receive star points for every activity they complete.</p>		<p>Write a message using hieroglyphics.</p>	<p>Research a famous pharaoh. Present your findings as a poster, PowerPoint or something else.</p>	<p>Write your own adventure story about the curse of the pharaohs or the mysteries of the Nile.</p>
