

# The Storm Whale comprehension questions

Cut and stick the pictures onto a blank page in the correct order

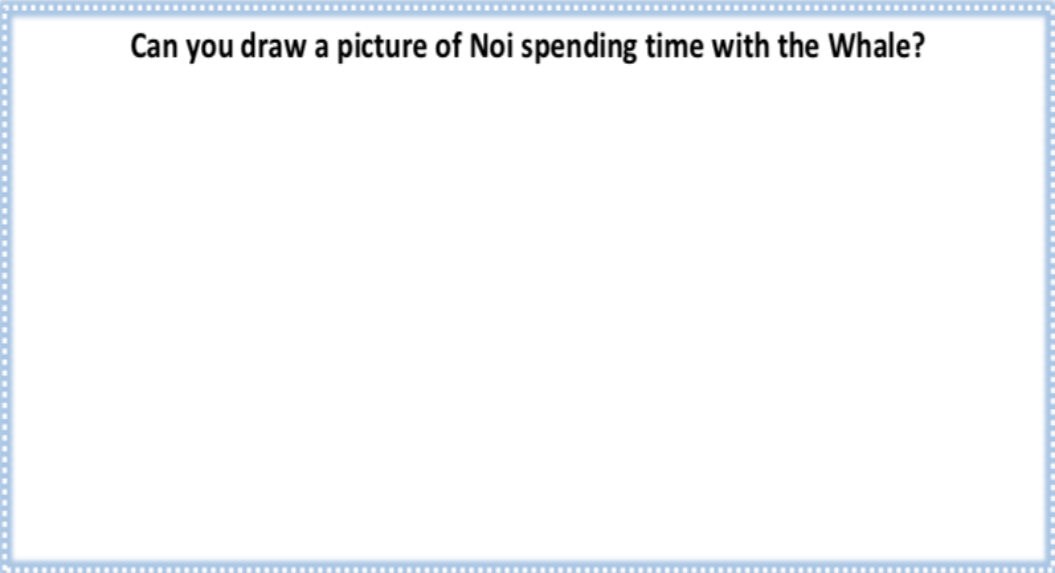

**Sequence the events into the order in which they happened**

Event	Order
When Noi's dad came home, he kept the whale a secret for a little while. When he found out, he said that they had to take the whale back to sea, where it belonged.	
Noi often thought about the whale, and hoped that one day he would see his friend again.	
Noi lived with his dad and their six cats by the sea. Each day, Noi's dad went to work on his fishing boat.	
He found that a little whale had been washed up on the sand. He quickly brought the whale back to his house and into the bath.	
Noi knew it was the right thing to do, but felt a bit sad saying goodbye to the whale.	
One night there was a great storm. The next morning, Noi went down to the beach to see what had been left behind.
