

Year 5-6 Transition

Some transition tasks ready for Y6

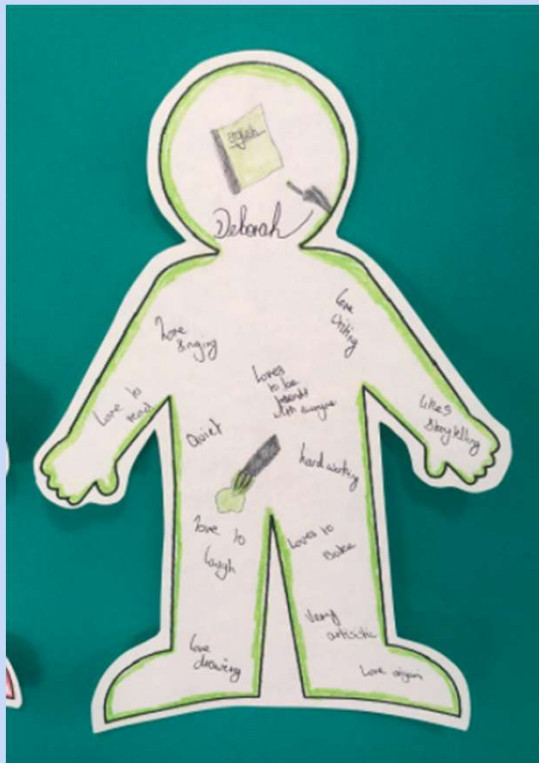

Letter

Can you write a letter back to me?
In it you can tell me:

- What you are looking forward to in Y6
- What you really enjoy, as well as what you find tricky
- How you have coped in the last few months. Is there something you have discovered about yourself? Anything you might need help with?
- Some facts about yourself

Quick Glance Person

This is the outline of a person (you!)

Inside you are going to:

- Draw a picture of your favourite subject in the head
- Write down all the ways to describe your personality
- The things you like/dislike

This will give me a really quick view of what you are like.

Self Portrait

If you want to you could send me a self portrait.

Have a look at the attached guide for how to draw a face if you choose to. However you can draw yourself in whatever style you would like to.

I would love to see your artwork 😊
