British Values	We will ensure all pupils have a voice that is listened to, and demonstrate how democracy works. Class to vote for Pupil Leaders to represent Year 1 and to vote for other key roles such as Eco Warriors, the Sports Council and the Worry Wizard Champion.	Children are taught the rule of the law; that it is important to have rules, to ensure fairness and safety for everyone This is evident in the school's Ready, Respectful and Safe statement. They are encouraged to establishing and setting their own class rules in the form of positive expectations.	Every child is valued as an individual, and we aim to allow their unique personalities to shine through. Children are encouraged to be reflective, and to learn to take responsibility for themselves. This individual liberty includes reflecting on their own work.	Children should learn to become strong, tolerant and respectful members of our society. They are encouraged to explore these ideas through PSHE and RE. They are encouraged to show mutual respect by celebrating and considering the needs of others, and to develop their knowledge and understanding. To show tolerance of those of different faiths and beliefs, children and staff are encouraged to discuss their own faith and cultural traditions, whilst exploring the faiths and beliefs of others.
