Remote Learning/ Live Lessons

Monday 1st March– Friday 5th March

This week, children will have the opportunity to join the live lessons at school from home. Here is a step by step guide for how to schedule your learning and get the most out of this experience.

1. Before you begin your remote education, you should make sure that you have had your breakfast and are dressed for the day.
2. Prepare yourself a tall glass of water and have a pen and paper, and any other appropriate equipment you might need, ready.
3. Click on the zoom links at the allocated times to join the lesson and your class teacher will admit you to the lesson.
4. During the day it is recommend that you take part in 3 lessons from different subject areas. Here is an example of what a timetable for your day might look like:

Lesson 1- zoom and then follow up task.	Wellbeing break	Lesson 2- zoom and then follow up task.	Lunch time	Exercise break	lesson 3- Home Learning- Seesaw.
--	--------------------	--	---------------	-------------------	---

5. We recommend that you break your learning up into small chunks, with lots of time away from your computer screen. Use the learning grids provided by your teacher to guide your choice of lessons. Please build in time to exercise. Try to move around as much as possible, stretching your shoulder and neck muscles often. There are lots of 'at-home' workouts that you can try or try the online workouts by Joe Wicks on Youtube.com.
6. Lastly, make sure you are looking after yourself. Make sure that you have relaxation time and fresh air and we look forward to seeing you in the classroom from home.

Friday	<u>Lesson 1-Non screen day.</u> <u>English-word scramble.</u> Try the bee scramble on Seesaw. <u>Lesson 2-Non-screen day.</u> Try the honeybee maze.
See below for a variety of activities for your child to complete this week.	
Literacy and Communication	Write your non-chronological report up about bees in your best handwriting including using features of a non-chronological report and your phonics and punctuation knowledge.
Maths and Problem Solving	Here is a link for Maths activities for the scheme that we use in school - White Rose Maths. This can be used to support as a pre-learn or to recap. Spring Week 8 - Geometry: Properties of Shapes White Rose Maths
	I have set new lessons on MyMaths, if you need your individual portal password please contact me . The general school log in is below , the set tasks are in the portal area. School login: broadbent School password: boostbroadbent
Science and the outside environment	Observe all the plants and insects in your garden or a local area, can you create a tally, pictogram or block diagram to show what you saw?
Humanities and Citizenship	<ol style="list-style-type: none">1. Watch Newsround and stay up to date with the latest news for children. If you have any questions about Newsround, please ask an adult. https://www.bbc.co.uk/newsround/news/watch_newsround.2. PSHE this term is 'Living in the Wider World.' Click on the link and scroll down to read the story and take the quiz. https://www.valuesmoneyandme.co.uk/teachers/charity-job-week-ks1
Creative Arts	Create a detailed sketch of a bumblebee and a honeybee to show the difference. Use only pencil to work on the shading skills from last week.
