

Home Learning Year 3

Week Beginning 23rd March 2020

Mrs McCoy/ Mrs Slate

Topic	The Iron Man Here are some ideas for you to complete at home whilst you are self-isolating this week.		
Literacy and Communication	Watch The Iron Giant clip https://www.youtube.com/watch?v=t9n40W1pgBk Imagine this Giant invading your home town and plan what disasters could happen. Write 5 different headlines that the Newspaper article could be about,	Continue with this theme. Choose one of your headlines and write a Newspaper Article about the Iron Man invading your town and city. What will happen? Who will it affect? How will it be solved?	If you were an eye witness to the town's destruction – what would you say? Write 10 quotes from different people who witnessed the account. Don't forget to use speech marks correctly. For example: Mr Blogs (aged 52) reported "It was enormous! I've never seen anything so big in all of my life. He stood there staring, his eyes glowing red- I was terrified."
Maths and Problem Solving	After weighing last week – this week is using measuring equipment around your home. Find 5-10 different size containers. Fill the containers with water. Use a measuring jug with ml and litres on the side to fill the containers and record how many litres and ml your container holds.	 Find 8 different cups at home. Which cup holds the most liquid? Which one holds the closest to 500ml? If you were to fill each cup with water from an egg cup- how many egg cups would it take to fill up the cups?	
Science and the outside environment	Research before going outside to search for different rocks Find out information about the following rock types use the website to help you. : Igneous Metamorphic Sedimentary http://www.sciencekids.co.nz/sciencefacts/earth/rocksandminerals.html	Create an information poster about the different types of rocks. If you were able to find some outside take a picture and add it to your poster. Find out about and display: What's the difference between the rocks? How are they created? What examples of igneous, sedimentary and metamorphic rocks could you find?	
Humanities and Citizenship	Travels around Europe https://kids.kiddle.co/Europe Find 8 countries in the continent of Europe. Have you been to any of them for your holidays? Can you name the capital cities?

Creative Arts	 <p>Use a map of Europe. Choose a country and draw the outline of one of the country. Find and label the countries that it borders.</p>
Physical Education	<p>It's important to stay active whilst you're off school. Use this link to help you exercise and stay active at home.</p> <p>https://www.bing.com/videos/search?q=active+exercises+for+kids&ru=%2fvideo%2fsearch%3fq%3dactive%2520exercises%2520for%2520kids%26qs%3dn%26form%3dQVR%26sp%3d-1%26ghc%3d1%26pq%3dactive%2520exercises%2520for%2520kids%26sc%3d1-25%26sk%3d%26cvid%3dF3DDF5F2F77B499382A1E5BEDE0D03A8&view=detail&mid=B63A008FA5F33533C458B63A008FA5F33533C458&&FORM=VDRVRV</p>
Reading	<p>Additional reading books can be sent home but don't forget you can read on many different platforms.</p> <ul style="list-style-type: none"> • Read information about rocks. • Read information about Europe. • Read newspaper articles • Read the scales on a measuring jug • Read for at least 15 minutes a day
Times tables	<p>Do not forget to continue to practise your timetables. Spend 10 minutes a day at least on TT Rockstars. https://trockstars.com/</p> <p>Year 3 children need to know their 2,3,4,5,8,and 10 times tables. However, if you know them all, fabulous 😊</p>
